

User Guide

nook GlowLight™

Chapter 1

THE OLD MAN'S eyes struck me first. They rested deep in their sockets, and he seemed unable to take them off me. Granted, everyone on the teahouse was staring at me more or less unabashedly, but he was the most brazen. As if I were some exotic creature he'd never seen before.

Trying to ignore him, I glanced around the teahouse, a mere wooden shack with a few tables and chairs standing right on the dry, dusty earth. Against the far wall a glass display case exhibited pastries and rice cakes on which dozens of flies had settled. Next to it, on a gas burner, water for the tea was boiling in a sooty kettle. In one corner, orange-colored sodas were stacked in wooden crates. I had never been in such a wretched hovel.
