## **Salmon Sour Cream Recipe:**

**100 Recipes** America's Test Kitchen, 2015-10-13 A provocative handpicked collection of relevant and surprising essential recipes for today's cook. We have countless recipes at our disposal today, but what are the real keepers—the ones that don't just feed us when we're hungry or impress our friends on Saturday night but inspire us to get into the kitchen? At the forefront of American cooking for more than 20 years, the editors at America's Test Kitchen have answered this question in an essential collection of recipes that you won't find anywhere else: *100 Recipes Everyone Should Know How to Make*. Organized into three recipe sections: Absolute Essentials, Surprising Essentials, and Global Essentials, each recipe is preceded by a thought-provoking essay that positions the dish. For example: Treating Pasta Like Rice Simplifies Everything, A Covered Pot Is a Surprisingly Good Place to Roast a Chicken, and Reimagine Pie in a Skillet to Simplify the Process. You'll find useful workday recipes like a killer tomato sauce that's almost as easy as opening a jar of the store-bought stuff, genius techniques for producing amazing flavor (try poaching chicken breasts over a garlic and soy-spiked brine), trust us, it's that good, and familiar favorites reinvigorated (the best beef stew comes from Spain and it's even easier to make than the stateside stew you've been eating for years). Gorgeous photography shot right in the test kitchen accompanies every recipe, revealing the finished dish as well as highlights of its preparation. Likely to stir debate among anyone interested in food and cooking, *100 Recipes Everyone Should Know How to Make* provides a snapshot of how we cook today and will galvanize even the most jaded cook to get into the kitchen. *A Treasury of Great Recipes, 50th Anniversary Edition* Price, Vincent, Price, Mary, 2015-10-09 Good cooking is where you find it, according to the authors of this unique collection, whose international smorgasbord ranges from the haute cuisine of Europe's finest restaurants to the juicy hot dogs at Dodger Stadium. In perhaps the first celebrity cookbook, famed actor Vincent Price and his wife Mary present mouthwatering recipes from around the world in simplified, unpretentious forms that anyone can make and enjoy. Selected from London's The Ivy, Madrid's Palace Hotel, New York's Sardi's, and other legendary establishments, the recipes are accompanied by witty commentaries, while color photos and atmospheric drawings by Fritz Kredel make this one of the most beautiful books of its kind. Includes a Retrospective Preface by the couple's daughter, Victoria Price, and a new Foreword by Wolfgang Puck. **The Best Simple Recipes** America's Test Kitchen, 2018-11-06 The Best Simple Recipes offers more than 200 full-flavored, easy-to-prepare recipes that can be on the table in 30 minutes or less, in an easy-to-read paperback format. Just because time is short, it doesn't mean you have to settle for a can of soup or a sandwich for dinner, or making one of the many boring and flavorless fast recipes, which often aren't even as fast as they promise. Our test cooks have created more than 200 recipes that keep the ingredients and cooking time to a minimum and offer tons of flavor and plenty of variety. By combining steps, minimizing pans, and employing a little test kitchen trickery, our test cooks have made naturally fast recipes even faster, and they've made recipes that traditionally take hours ready for the table in half an hour. And while they used a minimum of ingredients, one thing they didn't minimize was
