Hayes, Joe Niehaus, 2016-11-30 Few of the many defensive tactics books on the market include the training and methods of martial arts Drawing on the centuries old techniques of Ninjutsu *Defensive Tactics for Today's Law Enforcement* offers alternatives to the traditional police defensive tactics taught to most officers This text stresses relying on natural tendencies in a violent encounter to ensure officer safety and to better utilize the techniques and training officers do receive By integrating existing training with martial arts expertise *Defensive Tactics* provides officers access a full complement of techniques to better navigate physical conflict safely and effectively Intended for law enforcement practitioners as well as practitioners of any other professions that present a personal security risk *Defensive Tactics for Today's Law Enforcement* will better equip readers with a diverse range of defensive tactics **Inmates' Narratives and Discursive Discipline in Prison** Jennifer Schlosser, 2015-05-15 The question of what works in offender treatment has dominated the field of prisoner re entry and recidivism research for the last thirty years One of the primary ways the criminal justice system tries to reduce the rates of recidivism among offenders is through the use of cognitive behavioural programs CBP as in prison intervention strategies The emphasis for these programs is on the idea that inmates are in prison because they made poor choices and bad decisions Inmates thinking is characterized as flawed and the purpose of the program is to teach them to think and act in socially appropriate ways so they will be less inclined to return to prison after their release This book delves into the heart of one such cognitive behavioural programme examines its inner workings its effects on inmates narrated experience and considers what happens when a CBP of substandard quality and integrity is used as a gateway for inmates release Based on original empirical research this book provides realistic suggestions for improving policy for reforming current in prison programs engaging in problematic practices and for instituting alternatives that take the needs of the inmates into greater account This book is essential reading for students and academics engaged in the study of sociology criminal justice prisons social policy sentencing and punishment *Scientific and Technical Aerospace Reports*, 1964 **Yoga** Daren Callahan, 2015-01-28 Millions of people practice some form of yoga but they often do so without a clear understanding of its history traditions and purposes This comprehensive bibliography designed to assist researchers practitioners and general readers in navigating the extensive yoga literature lists and comments upon English language yoga texts published since

1981 It includes entries for more than 2 400 scholarly as well as popular works manuals original Sanskrit source text translations conference proceedings doctoral dissertations and master s theses Entries are arranged alphabetically by author for easy access while thorough author title and subject indexes will help readers find books of interest *The First Sourcebook on Asian Research in Mathematics Education - 2 Volumes* Bharath Sriraman,Jinfa Cai,Kyeonghwa Lee,Lianghuo Fan,Yoshinori Shimizu,Chap Sam Lim,K. Subramaniam,2015-08-01 Mathematics and Science education have both grown in fertile directions in different geographic regions Yet the mainstream discourse in international handbooks does not lend voice to developments in cognition curriculum teacher development assessment policy and implementation of mathematics and science in many countries Paradoxically in spite of advances in information technology and the flat earth syndrome old distinctions and biases between different groups of researcher s persist In addition limited accessibility to conferences and journals also contribute to this problem The International Sourcebooks in Mathematics and Science Education focus on under represented regions of the world and provides a platform for researchers to showcase their research and development in areas within mathematics and science education The First Sourcebook on Asian Research in Mathematics Education China Korea Singapore Japan Malaysia and India provides the first synthesized treatment of mathematics education that has both developed and is now prominently emerging in the Asian and South Asian world The book is organized in sections coordinated by leaders in mathematics education in these countries and editorial teams for each country affiliated with them The purpose of unique sourcebook is to both consolidate and survey the established body of research in these countries with findings that have influenced ongoing research agendas and informed practices in Europe North America and other countries in addition to serving as a platform to showcase existing research that has shaped teacher education curricula and policy in these Asian countries The book will serve as a standard reference for mathematics education researchers policy makers practitioners and students both in and outside Asia and complement the Nordic and NCTM perspectives **Code of Federal Regulations** ,2015 Special edition of the Federal Register containing a codification of documents of general applicability and future effect with ancillaries **Now the Chips Are Down** Alison Gazzard,2016-02-12 The story of a pioneering microcomputer its beginnings as part of a national Computer Literacy Project its innovative hardware and its creative uses In 1982 the British Broadcasting Corporation launched its Computer Literacy Project intended to introduce interested adults to the world of computers and computing The BBC accompanied this initiative with television programs courses books and software an early experiment in multi platform education The BBC along with Acorn Computers also introduced the BBC Microcomputer which would be at the forefront of the campaign The BBC Micro was designed to meet the needs of users in homes and schools to demystify computing and to counter the general pessimism among the media in Britain about technology In this book Alison Gazzard looks at the BBC Micro examining the early capabilities of multi platform content generation and consumption and the multiple literacies this approach enabled not only in programming and

software creation but also in accessing information across a range of media and in do it yourself computing She links many of these early developments to current new media practices Gazzard looks at games developed for the BBC Micro including Granny s Garden an educational game for primary schools and Elite the seminal space trading game She considers the shift in focus from hardware to peripherals describing the Teletext Adapter as an early model for software distribution and the Domesday Project which combined texts video and still photographs as a hypermedia like experience Gazzard s account shows the BBC Micro not only as a vehicle for various literacies but also as a user oriented machine that pushed the boundaries of what could be achieved in order to produce something completely new **The Handy Armed Forces**
