*Charlotte's Wedding* Leah Mae Wright, 2023-01-29 Former DEA agent Michael Ian Campbell struggled with civilian life after leaving the agency when his wife Mari was killed after blowing his cover with the Rodriguez Cartel He d gone in with the alias of Michael Smith trying to get the intel needed to bring down the infamous drug ring He d worked his way up to only a couple of levels down from the ringleader Roberto Rojo Rodriguez when Mari posted a picture of him with their son Brody on social media identifying him as her husband He barely made it out alive the day he and his family were ambushed in a drive by ordered by Rojo to take him out With his cover blown and Brody now motherless he retired from the DEA and scrubbed all records of Michael Campbell from existence so he could safely raise his son with the help of his sister Cait As a parting gift the agency created a new identity for him using only his middle and last name In exchange for the anonymity Ian used his new job as a high school English teacher to funnel information back to his former partner on the lower level drug dealers in and around the San Diego schools Until the day he got word that Rojo Rodriguez had escaped when the rest of the major players in his cartel were captured in a raid in South Texas that is With limited resources keeping the DEA and local law enforcement from having someone in Heart s Destiny Texas actively looking for the cartel kingpin Ian moved there with his family to capture the man responsible for his wife s death Charlotte Burleson didn t know the new English teacher she had to work with was actually a friend of her brother Jake and a former undercover DEA agent She only knew him as a one night stand she thought she d never see again and the most infuriating man she d ever met After the most intense sexual experience of her life Charlotte woke up to an empty bed with no information on how to contact the mysterious Ian for another round Two weeks later he showed up at her family s late Christmas celebration and acted as if they d never met He continued the charade of not knowing her when he started working in the classroom next door to hers at the beginning of January Ian wasn t sure how to deal with finding out the hot as hell one night stand he had on the night he interviewed for his new job was with the sister of a man he d worked with on a joint task force a few years back and considered a friend He had to keep his cover and not let on to anyone in town that he knew Jake Burleson before moving there Not to mention the fact that he couldn t tell his friend Jake that he d slept with his sister So when the owner of the bed and breakfast where he and his family were staying until their rental was available for them to move insisted on taking them to a late Christmas celebration Ian pretended he d never met Jake or Charlotte When he started work and realized he was supposed to coordinate the seventh grade lesson plans with her Ian couldn t resist pushing her buttons to get a glimpse of the fiery passion he d seen on their one night together But even as hot as his time with Charlotte was he couldn t risk getting burned if Rojo Rodriguez caught wind of his presence in town and went after her the way he had Mari As danger loomed the couple fought their instant attraction and growing connection not realizing that standing together was the only way they could win in the end **DISCLAIMER** This single dad teacher brother s friend instalove alpha male romantic suspense book contains

**The Mentelles** Randolph Paul Runyon,2018-05-04 Though they were not as Charlotte claimed refugees from the French Revolution Augustus Waldemar and Charlotte Victoire Mentelle undoubtedly felt like exiles in their adopted hometown of Lexington Kentucky a settlement that was still a frontier town when they arrived in 1798 Through the years the cultured Parisian couple often reinvented themselves out of necessity but their most famous venture was Mentelle s for Young Ladies an intellectually rigorous school that attracted students from around the region and greatly influenced its most well known pupil Mary Todd Lincoln Drawing on newly translated materials and previously overlooked primary sources Randolph Paul Runyon explores the life and times of the important but understudied pair in this intriguing dual biography He illustrates how the Mentelles origins and education gave them access to the higher strata of Bluegrass society even as their views on religion politics and culture kept them from feeling at home in America They were intimates of statesman Henry Clay and one of their daughters married into the Clay family but like other immigrant families in the region they struggled to survive Throughout Runyon reveals the Mentelles as eloquent chroniclers of crucial moments in Ohio and Kentucky history from the turn of the nineteenth century to the eve of the Civil War They rankled at the baleful influence of conservative religion on the local college the influence of whiskey on the local population and the scandal of slavery in the land of liberty This study sheds new light on the lives of a remarkable pair who not only bore witness to key events in early American history but also had a singular impact on the lives of their friends their students and their community
