

"Oh, you can walk." I took him by the arms and stood him up. He collapsed on to the grass like a half-empty flour sack. It was as if his little legs had no bones.

"Don't hurt me, brother." "Shut up. I'm not going to hurt you. I'm going to teach you to walk." I heaved him up again, and he collapsed.

"I just can't do it." "Oh, yes, you can, Doodle. All you got to do is try."

"Now come on," and I hauled him up once more. It seemed so hopeless that it's a miracle I didn't give up. But all of us must have something to be proud of, and Doodle had become my something. Finally one day he stood alone for a few seconds. When he fell, I grabbed him in my arms and hugged him, our laughter ringing through the swamp like a bell.

Now we knew it could be done. We decided not to tell anyone until he was actually walking. At breakfast on our chosen day, I brought Doodle to the door of the cart. I helped Doodle up, and when he was standing alone, I let them look. There wasn't a sound as Doodle walked slowly across the room and sat down at the table.

Then Mama began to cry and ran over to him, hugging him and kissing him. Daddy hugged him, too. Doodle told them it was I who had taught him to walk, so they wanted to hug me, and I began to cry. "What are you crying for?" asked Daddy, but I couldn't answer. They didn't know that I did it just for myself that Doodle walked only because I was ashamed of having a crippled brother when a few months, Doodle had learned to walk with.

Since I had succeeded in teaching Doodle to walk, I began to believe in my own infallibility. I decided to teach him to run, to swim, to swim, to climb trees, and to fight. Now he, too, believed in me, so we set a deadline when Doodle could start school.

But Doodle couldn't keep up with the plan. Once, he collapsed on the ground and began to cry. "Now come on, Doodle. You can do it. Do you want to be different from everybody else when you start school?"

"Does that make any difference?" "It certainly does. Now, come on." And so we came to those days when summer was dead but autumn had not yet been born. It was Saturday noon, just a few days before the start of school. Daddy, Mama, Doodle, and I were seated at the dining room table, having lunch.

Suddenly from out in the yard came a strange creaking noise. Doodle stopped eating. "What's that?" He slipped out into the yard, and looked up into the bleeding tree.

"It's a big red bird."

Scarlet Ibis Text Doc

Michal Rosen-Zvi

Scarlet Ibis Text Doc:

As recognized, adventure as without difficulty as experience nearly lesson, amusement, as with ease as understanding can be gotten by just checking out a books **Scarlet Ibis Text Doc** then it is not directly done, you could say yes even more vis--vis this life, as regards the world.
