

Analysis Of The Scarlet Letter

5 pages | 1102 words

In *The Scarlet Letter*, Nathaniel Hawthorne made it quite evident that Pearl was a very symbolic character. As we know, following Hester's act of adultery, she became pregnant with Pearl and we get the sense that there is something strange and unnatural about her when first introduced. This is relevant to her symbolism and the many attributes that she represents. Throughout the novel, her symbolism ranges from being equated to evil, sin, and innocence. Furthermore, it is also possible that her name in itself is used to symbolize different elements like a pearl; a treasure much like Pearl becomes for Hester.

In many ways, it seems that Pearl symbolizes evil and the actual letter which is also is a representation of evil; she represented God's punishment by her mocking and nagging of Hester. "The symbolic quality of the letter is transferred to Pearl in which reinforces the idea that the symbol combines the reference to an abstract idea with a material existence." (Carrez) Although Hester loves Pearl, Pearl is a curse, the living personification of the scarlet letter, and is as much of a tormenting entity as the symbol upon her breast which also represents evil and sin in the novel. Due to Hester's and Dimmesdale's sins, their result is Pearl who serves as a constant reminder to Hester of her sin. This is made evident in one instance where Hester removes the letter in the forest and Pearl throws a tantrum and refuses to listen to her because Pearl is not comfortable with the fact that the scarlet letter wasn't there. Furthermore, in many cases Hawthorne deliberately emphasizes her symbolism of the Scarlet "A" to the reader. While Hester dresses in a dull fashion, she uses her talents as a skilled seamstress and designs and sews intricate, beautiful clothing for Pearl; almost as intricate as the scarlet "A" Hester bears on her chest. Because of this, both the scarlet "A" on her breast and at her child will receive much attention from the townspeople. One example of this is noted in a passage where Pearl and Hester go to the Governor's house and Pearl is dressed in a scarlet dress with gold edging resembling the "A" on Hester. In essence, Pearl really was the scarlet letter because if she wasn't born, Hester would have never been found guilty of adultery, and thus never would have had to wear the scarlet letter. Although Pearl had been mischievous and not very caring and often symbolized evil and sin; when her father, Arthur, finally admits he is Pearl's father and is dying, Pearl changes. This breaks her free from being associated to the immoral symbolism.

Pearl symbolically being equated to the scarlet letter is not the only symbolic meaning that she has; she is also the symbol of innocence. Pearl was often treated with disdain for no reason; meanwhile her only "crime" was her birth and existence. Furthermore, the children in *The Scarlet Letter* have a cruel nature; they know the significance of the scarlet letter, but in many cases, do not fully identify what it's associated with. The children observe that the adults...
