Supporting Reading in Grades 6-12 Sybil M. Farwell, Nancy L. Teger, 2012-06-11 This book presents a curricular framework for students grades 6 12 that school librarians and teachers can use collaboratively to enhance reading skill development promote literature appreciation and motivate young people to incorporate reading into their lives beyond the required schoolwork Supporting Reading Grades 6 12 A Guide addresses head on the disturbing trend of declining leisure reading among students and demonstrates how school librarians can contribute to the development of lifelong reading habits as well as improve students motivation and test scores The book provides a comprehensive framework for achieving this the READS curriculum which stands for Read as a personal activity Explore characteristics history and awards of creative works Analyze structure and aesthetic features of creative works Develop a literary based product and Score reading progress Each of these five components is explained thoroughly describing how school librarians can encourage students to read as individuals in groups and as school communities support classroom teachers instruction and connect students to today s constantly evolving technologies Used in combination with an inquiry information skills model the READS curriculum enables school librarians to deliver a dynamic balanced library program that addresses AASL s Standards for the 21st Century Learner

The Story Biz Handbook Dianne de Las Casas, 2008-09-30

Beginning with wonderful tips and advice about the art and presentation of storytelling this is a complete resource about how to build a storytelling career Storytellers come to their careers centered on the stories they love and soon realize that in order to make a living at what they love they must build a business This in depth book tells them just how and what to do in every detail from choosing a sound system to building a website to using podcasts and setting up an office Resource lists and tried and true ideas abound as the author shares her marketing and business success story throughout Each chapter is a story in itself beginning and ending with different traditional folktale openings and closings There is even a chapter on how to plan for retirement

Handbook of Research on Reading Comprehension, Second Edition Susan E. Israel, 2017-01-02 This edition provides a transformative snapshot of reading comprehension as a field of study at a seminal moment It maintains the same high level of standards with respect to 1 historical perspectives useful for laying the foundation of study on reading comprehension 2 theoretical perspectives that allow the reader to consider different views on how specific areas have evolved since the first edition 3 excellent chapters on various elements of reading comprehension including major research studies in assessment cultural impacts of reading comprehension issues affecting English language learners and consideration of international populations and 4 identification of future research needs to help raise important questions and stimulate possible hypotheses for future research

Children to the Slaughter: Scary Horror Story with Supernatural Suspense A. I. Nasser, Scare Street, 2016-04-29 Melington has changed There is an evil lurking in the darkness under the beds and behind closet doors It seeks vengeance and retribution and will not be denied No one knows this more than Alan Carter Returning to his hometown after a twenty year absence he is resolute in uncovering the truth behind his sister s abduction and the strange disappearance of children Joined by his childhood friend Alan finds himself thrown into the middle of a conspiracy led by the town Council as it desperately tries to hide its secrets from the world No child is safe in Melington and Alan Carter needs to stop the curse that has haunted his hometown for generations But as Alan s brushes with death become more frequent he finds himself running out of luck Step into the eerie world of Scare Street where supernatural horror and suspense await you at every turn Our collection of ghost stories urban legends and haunted house stories offer the perfect mix of scary and spooky tales Whether it s a creepy campfire classic short horror stories or unsettling creepypasta our tales are crafted to bring thrills and chills that will keep you hooked

Spooktacular Tales Dianne de Las Casas, 2015-11-10 Written by a popular performer and well known storyteller this entertaining compendium reveals the secrets for suspenseful storytelling and features 25 spooky stories for audiences of all ages Experienced performer and artist Dianne de Las Casas coaches students and adults in the art of telling scary stories The book details de Las Casas s process for becoming a master storyteller and offers ways you can establish trust with audiences provides tips for telling spooky tales and shares methods for managing audience participation Each of the 25 included stories is accompanied by one of various identifying icons with selections ranging from suspenseful to comical to thrilling foregoing those stories that contain gore or

the grotesque A brief section explains the benefits of scary stories such as providing a safe way to exercise and develop our fear system strengthening our coping skills by desensitizing us to unpleasant things and building caution for actual frightening situations Each tale is illustrated with a scare o meter an icon that rates how frightening the story is and identifies the most appropriate audiences for its telling

The Children's Literature Selection Handbook, K-8 Christie Kaaland, 2025-08-21 Offering future school librarians teachers and working librarians an alternative to lengthier textbooks on children s literature this engaging book introduces readers to the most important genres and current conversations in the field while leaving them time to read children s literature directly As school librarian and teacher certification programs become more abridged students require succinct textbooks that still provide a valuable introduction to the field Working librarians need reference books that allow them to make good selections for their collections Students and professionals will appreciate The Children s Literature Selection Handbook K 8 because it offers a needed overview of the field while allowing for plenty of time to read children s literature Author Christie Kaaland s conversational tone speaks directly to readers and the book offers students a pathway to engage with literature directly and effectively scaffold their learning Beginning with an introduction to standard literary fiction genres including a discussion of literature trends and children s reading interests and needs the chapters turn to the most important genres fiction biography folk literature picture books informational texts poetry and graphic novels A focus on book series a deep discussion of graphic novels the inclusion of global literature and review sources for selection and information on publishers and the publishing industry set this timely book apart from others in the field Reader voices add perspective and charm This compact and engaging book is the perfect companion to the vast wealth of children s literature that future teachers and school librarians will read during their professional preparation and share with children and youth as working librarians

Learning Games Scott J. Warren, Greg Jones, 2017-06-16 This book provides an overview of the design and development of learning games using examples from those created by the authors over last decade It provides lessons learned about processes successful approaches and pitfalls that befall developers of learning games and educational transmedia experiences The book includes stories from the authors lives that give context to why and how they built these products to help the reader understand whether or not building a learning game is right for them and what challenges they might face It also gives a framework for thinking ethically about design and research when it comes to designing complex digital systems like educational games div

My Name Is Cool Antonio Sacre, 2013-07-01 In 1960 my father got into a rowboat from Havana Cuba and rowed 90 miles to the United States to start his new life By the time I got into seventh grade I was telling my friends that my father saved all of his family all of his friends piled everyone into that boat and rowed everybody over to America By the time I got into high school I was telling my friends that my father stole five boats from Castro s navy saved all of his friends all of his family all of his first second third fourth and fifth cousins everyone on his block all of the pets and everybody on his baseball team He piled them into the boat There was no room for

him in the boat so he tied those boats together with a big rope put that rope around his shoulders and he swam everybody over to the United States Born in Boston to a Cuban father and an Irish American mother Antonio Sacre is one of the few leprecaunos on the national speaking circuit Using his own personal history and telling the stories that audiences across the nation have found so captivating and wonderful this award winning storyteller and author weaves the Spanish language Cuban and Mexican customs and Irish humor into an unforgettable book of humor inspiration tradition and family My Name is Cool is a classic story sure to transcend like the author himself cultures and boundaries Once Upon a Time in a Dark and Scary Book K. Shryock Hood,2018-06-07 Contemporary American horror literature for children and young adults has two bold messages for readers adults are untrustworthy unreliable and often dangerous and the monster always wins as it must if there is to be a sequel Examining the young adult horror series and the religious horror series for children Left Behind The Kids for the first time and tracing the unstoppable monster to Seuss s Cat in the Hat this book sheds new light on the problematic message produced by the combination of marketing and books for contemporary American young readers
