HISTORY

The recorder is a wind instrument with a long history. It was very popular in the Middle Ages and Renaissance. Henry VIII had a large collection of recorders. Shakespeare mentioned the recorder in his works.

The main members of the recorder family are the soprano, alto, tenor, and bass recorders. Soprano recorder is a good choice for children because the holes are close together and it is least expensive.

This "Raining" starts with a **PICK-UP**. A pick-up is an incomplete measure at the beginning of a song.
