Alternative Healthcare Jack Raso, 2013-12-05 Raso examines the philosophical underpinnings of alternative medicine as well as hands on healing Qigong and faith healing He shows that whatever the specific philosophy the common denominator is a rejection of the scientific approach of modern medicine in favor of a belief in paranormal forces that influence the well being of mind and body The final section is a firsthand account of Raso's many revealing visits to various alternative healthcare practitioners The book concludes with an encyclopedic glossary of alternative healthcare terminology

Law of Attraction Affirmations Dimz Media,2022-04-22 NOTE Please disable dark mode on your device to see the original color of the eBook Law of Attraction Affirmations Spirituality vibration meditation mindfulness wellness abundance and manifestation The most simple way to use positive affirmations We believe that positive affirmations are an amazing tool which can transform your life beyond all recognition They are so simple that anyone can use them even a child they are easy to learn how to use there isn t even really a best way to use them and even if you don t know what that are yet you could be using them within 5 minutes feeling positive warm and happy inside too Affirmation is very useful for overcoming addiction brain training growing your business increase self confidence creativity improve sleep quality with positive dreams improve discipline in sports martial arts scuba diving fitness and bodybuilding maintain health and cure disease attract positive things learning languages learning musical instruments success in life metaphysics practice money mastery personal growth phobia elimination poker game practice become an expert in the profession build relationship with partner sexual enhancement social skills success with men and women lose weight etc What is affirmation and why it is so powerful Affirmation is simply a process of thinking listening saying or writing a statement to yourself or other people repeatedly For example when you wake up every morning you may affirm by saying aloud Today is a great day It will have great impact to the rest of your day Before I explain to you the power of affirmation I think it s important that you understand the power of belief Perhaps one of the

great truths in life is that your belief creates your reality In other words your reality is generally a reflection of the beliefs of your subconscious mind By the way what is a belief A belief is simply a thought that is accepted by your subconscious mind Actually not all thoughts are turned into realities Only thoughts that are believed by the subconscious mind are turned into realities The reason why belief turns into reality is because of the Universal and Natural Law of Attraction **McClure's Magazine** ,1919 *The Outlook* Lyman Abbott,Hamilton Wright Mabie,Ernest Hamlin Abbott,Francis Rufus Bellamy,1919
