Marine and Army personnel He was one of the lucky ones to return from those islands and recounts some of the humorous events of those military years Post war adjustments did produce some unexpected temporary unhappiness in his life His resiliency was such he was slowed down but not knocked down As was the case for quite a few returning military personnel he ran into a Dear John situation where his wife had found what she considered to be greener pastures and had chosen not to tell him while he was out of country Here again he is suddenly without family because of the divorce He did however retain custody of his son for which he was ill equipped Never experiencing a real functioning family unit caring for each other he did his parenting by instinct which he much later felt was probably not good enough He spent four years alone with his son as he used his laborious skills to provide for that son while he continued his pursuit of achievement and knowledge It was not a loving relationship because he did not yet know how to feel or show that kind of love The first time he thought he could afford to take a vacation he and Nickie went to Catalina Island The vacation ultimately netted them a wife mother and the opportunity to become a family Nicholas met Alice fell in love again and they were married She adopted Nickie and he now had someone to make it a home in a house he bought upon returning from war time service Alice was experienced in operating a rooming house so they bought a very large older home in Los Angeles and rented the home in Redondo Beach Alice ran the rooming house while Nicholas continued his wood working job at Hughes It was during this time through his boss at Hughes Nicholas became interested and hooked on rockhounding Such an artistic craft would someday provide much pleasure and some monetary benefits This good life lasted for a number of years as they worked towards building a nest egg and providing for their son Because work involved in operating a rooming house was never ending Alice grew weary of it and Nicholas was antsy for a new challenge Hi James Madison Elementary School ,1988 **A look at development** ,
