

1. **Identify the main components of the system.**

It is an effort to challenge an illegal use exception notice issued by the zoning official, the owner of an adult-use business brings a copy of an up-to-date zoning map with the zoning official to show that his or her illegal use is a lawful business. Based solely on this claim, what is required?

- (A) The business owner because the zoning map clearly shows the use is permitted in the zoning district.  
 (B) The zoning department because an adult use business is not permitted in any zone without a conditional use permit.  
 (C) There is not enough information provided to determine who is right.  
 (D) Neither is correct because only the Board of Adjustment can make a determination as to the legitimacy of the use.

A Commissioner is required, after receiving the parent application, to prepare a decision on the proposed new addition as the step of the review does not meet the legal requirements. The parent application may need to comply to the Commissioner the general purpose of serving the
