

## CAR ACCIDENT REPORT FORM

This accident report form is a useful tool to assist you in the event you have an accident, loss, you are injured, your vehicle is disabled or you need a rental car.

Please place a copy of this form in each of your vehicles as a reference tool to help you remember information necessary in processing your claim.

In the event of an accident there are several things to remember:

- **Move to a safe location** if you or your car is creating a safety hazard or if you're concerned with your safety.
- **Do not leave the scene of the accident** until you have exchanged contact information with all other parties involved.
- **Call the police** and follow their instructions.
  - Call 911 if there are any injuries.
  - In minor accidents, the police may instruct you to exchange information and then contact your insurance company.
- **Do not discuss who is at fault** with other parties.
- **Do not disclose your policy details.** You should only share your driver's license number, your insurance company's name and phone number, and your insurance policy number.
- **Collect as much information as you can** about the other drivers using the form below.

The Lady Believed To Be From England Patrick Emre,2009-08-19 The Lady Believed to be from England is a dramatic story set in the stunningly beautiful island of Cyprus More than just another murder mystery with some dodgy dealings perpetrated by the Cyprus Judiciary Firstly that authority s failure to recognise a sinister piece of corruption collusion and treachery under its nose Eventually that same authority s realisation of the hurt felt by those who were the innocent victims It tells that story of a Cyprus born lady so much loved by all who meet her and how against all odds she has pulled about her a great sense and an even greater ability to help others to hold up their heads There is much to know about her and her family from her late husband and those of her second husband It was this larger than life fellow who recognised the seeds of greatness within her and set about culturing these until they blossomed into an even more marvellous bloom than he had perceived There are many sides to learn of this vibrant man who laughs when others might cry and creates an aura around him which others want to share Their blissful life together appears to be something of Utopian proportions and seemed untouchable However their love for each other and life in general is about to be shrouded in the darkest clouds containing a mixture of criminal injury corruption and authoritarian negligence Now the great resolve they had always previously displayed would be tested to the utmost Throughout this book there are several digressions which should be thoroughly enjoyed These are not simply meant as space fillers but are solely intended to provide the reader with an insight into the lives of the families and characters I am sure you will find it interesting and at times very amusing I must thank my good friend Maggie Muir for her assistance in piecing the story together and my darling wife who patiently listened for twenty years of promises that one day I d write a book
