world list of books in the English language      War Psychiatry Franklin D. Jones,1995 This volume of the Textbook of Military  
Medicine addresses the delivery of mental health services during wartime The foreseeable future of the U S military includes  
the potential for involvement in a variety of conflicts ranging from peace keeping missions to massive deployments of  
personnel and materiel and possible nuclear biological and chemical threats as was seen in the Persian Gulf War The medical  
role in wartime is critical to success of the mission For the mental health disciplines this role encompasses identification and  
elimination of unfit personnel improvement of marginal personnel to standards of acceptability prevention of psychiatric  
casualties and their treatment when prevention fails All of these efforts must be guided by past experience and sound
