The Stress Free Diabetes Kitchen Barbara Seelig-Brown, 2012-08-24 Author Barbara Seelig Brown has spent the last decade creating and expanding the Stress Free Cooking brand. Now she wants to bring this quick easy hassle free method of cooking to people with diabetes. Just as she does with her general audience, Barbara aims to reshape the perception that cooking is time consuming, boring, and unpleasant. She asks, Which is more relaxing: standing in a take out line waiting for bland food or standing over a warm stove in your slippers sipping on a glass of wine? In this new book, Barbara takes the ingredients that have made her television shows and cooking classes so popular and reshapes them for those with diabetes. In addition to 150 diabetes friendly recipes, *The Stress Free Diabetes Kitchen* includes pantry stocking tips, suggestions for finding fresh ingredients, menu suggestions, and dozens of strategies for keeping the cooking process stress free. The book also features eight pages of full color custom photography featuring recipes from the book. *The Kid-Friendly ADHD & Autism Cookbook, Updated and Revised* Pamela Compart, Dana Laake, 2012-04 Describes the elimination diet for autism and attention deficit hyperactivity disorder, a regimen of eating and drinking that focuses on the elimination of gluten and casein, and features recipes, background information on autism and ADHD, and tips on starting and maintaining healthy eating habits for the entire family.
