General Information

Introduction

The Perkins 1000 Series industrial and agricultural engines are the latest developments from Perkins Engines Limited a world leader in the design and manufacture of high performance diesel engines.

More than sixty years of diesel production experience, together with the latest technology, have been applied to the manufacture of your engine to give you reliable and economic power.

To ensure that you use the relevant information for your specific engine type, refer to "Engine Identification" on page 7.

Danger is indicated in the text by two methods:

Warning: This indicates that there is a possible danger to the person.

Caution: This indicates that there is a possible danger to the engine.

Note: Is used where the information is important, but there is not a danger.
