True Story Michael Finkel, 2024-06-11 The true story of a disgraced journalist the accused murderer who stole his identity and their complex friendship now a major motion picture In 2001 Mike Finkel was on top of the world young talented and recently promoted to a plum job at the New York Times Magazine Then he made an irremediable slip Under pressure to keep producing blockbuster stories he fabricated parts of an article Caught and excommunicated from the Times he retreated to his home in Montana swearing off any contact with the media Then he got a call from the San Francisco Chronicle and Mike was thrust back into the news cycle in a way no one could have anticipated In Waldport Oregon Christian Longo had killed his young wife and three children and dumped their bodies into the bay With a stolen credit card he fled south making his way to Cancun where he lived for several weeks under an assumed identity Michael Finkel journalist for the New York Times True Story is the tale of a bizarre collision between fact and fiction and a meditation on the slippery nature of truth When Finkel contacts Longo in jail they begin a close and complex relationship Over the course of a year Finkel s dogged pursuit of the true story pays off only at the end in the gripping trial scenes in which Longo after a lifetime of deception finally tells the whole truth Or so he says

True Story: Murder, Memoir, Mea Culpa Michael Finkel, 2005-05-24 In the haunting tradition of Joe McGinniss s Fatal Vision and Mikal Gilmore s Shot in the Heart True Story Murder Memoir Mea Culpa weaves a spellbinding tale of murder love and deceit with a deeply personal inquiry

into the slippery nature of truth The story begins in February of 2002 when a reporter in Oregon contacts New York Times Magazine writer Michael Finkel with a startling piece of news A young highly intelligent man named Christian Longo on the FBI s Ten Most Wanted list for killing his entire family has recently been captured in Mexico where he d taken on a new identity Michael Finkel of the New York Times The next day on page A 3 of the Times comes another bit of troubling news a note written by the paper s editors explaining that Finkel has falsified parts of an investigative article and has been fired This unlikely confluence sets the stage for a bizarre and intense relationship After Longo s arrest the only journalist the accused murderer will speak with is the real Michael Finkel And as the months until Longo s trial tick away the two men talk for dozens of hours on the telephone meet in the jailhouse visiting room and exchange nearly a thousand pages of handwritten letters With Longo insisting he can prove his innocence Finkel strives to uncover what really happened to Longo s family and his quest becomes less a reporting job than a psychological cat and mouse game sometimes redemptively honest other times slyly manipulative Finkel s pursuit pays off only at the end when Longo after a lifetime of deception finally says what he wouldn t even admit in court the whole true story Or so it seems
