Theories in Tourism Research Kelly Bricker, Holly Donohoe, 2015-12-04 It often seems that there is more confusion than
consensus regarding tourism theory Does tourism have theories it can truly own or does it just borrow from other academic
disciplines It can be difficult to understand the theories and conceptual frameworks available and how to apply these ideas to
a research endeavour This book reviews theoretical perspectives on tourism from planning and management through
marketing and host communities to the tourism consumers themselves Covering issues such as tour guiding rural tourism
