Instructions: Read the essay twice. Then, use the rubric to score the essay.

Prompt: Heroes are people that we admire because they have done difficult things well and have good morals and character. Write an essay that names your hero and explains why he/she is your hero.

"We're ready for take-off!" This is what you may have heard if you were riding in my great-grandfather's plane during World War II. Jay was an Air Force pilot whose job was to fly Generals from place to place. My great-grandfather, Jay, is my hero because he was brave, hard-working, and kind to his children.

First, my great-grandfather, Jay, was brave. One time, his plane was being shot at but he stayed calm and kept flying. He went to a warzone and did his job well. Jay kept his cool one time when his plane began to overheat and almost crashed. I love hearing stories about the bravery of my great-grandfather!

Second, my great-grandfather was a hard worker. He had to work very hard to become a pilot. In fact, he spent two years in training to learn the job. He had to have two jobs after he retired from the military to support his family. Jay always maintained his own home and never hired help. I can't imagine anyone working harder than him!

Finally, Jay was always kind to his children. He took his son (my dad) fishing twice per month. He spent a lot of time helping both his son and daughter learn how to maintain the family car. He taught them how to change the oil, check the wiper blades, and change tires. My great-grandfather was always around to help and give advice. Jay was a kind man and that kindness has become a standard in my family.

My great-grandfather, my hero, was an amazing man because he was courageous and fearless, a good worker, and treated his children with kindness. All I have now are stories about my great-grandfather and pictures of him but his kindness and bravery will live on through me!
