## Dental Practice Mission Statement

This dental practice exists to provide quality dental care to its patients on a timely and efficient basis.

## Equal Employment Opportunity

It is the policy of the dental practice not to discriminate against employees or applicants on the basis of race, color, national origin, sex, age, religion, marital status, or the presence of any sensory, physical or mental disability (provided that such disability does not hinder job performance) with respect to recruitment, hiring, training, promotion, and other terms and conditions of employment. All employment decisions shall be consistent with the principle of equal employment opportunity.

Any employee or applicant who feels that he or she has been discriminated against because of race, color, religion, sex, age, national origin, marital status, or sensory, physical, or mental disability should report such incidents to management without fear of reprisal. Confidentiality will be maintained.

## Anti-Harassment Policy

The dental practice is committed to the principle that all individuals should be treated with dignity and respect. Harassment of an individual because of race, sex, sexual orientation, disability, age, religion, national origin, or any other reason will not be tolerated.

Although harassment for any reason is contrary to office policy, sexual harassment is a problem that deserves particular attention. Sexual harassment includes unwelcome sexual advances, requests for sexual favors and other unwelcome verbal or physical conduct of a sexual nature.

Any employee who witnesses harassment or who believes that he or she has been harassed should immediately report the incident to management. All reports will be investigated promptly, fully, and completely, and special privacy safeguards will be applied in handling sexual harassment complaints. No reprisals will be taken against an employee for making a complaint. The office will keep confidential documentation of all allegations and investigations and will take appropriate corrective action—including disciplinary measures against employees and dismissal of patients from the practice, when justified—to remedy all violations of this policy.

## Suspected Misconduct and Dishonesty

The employer will not tolerate theft or other misappropriation of assets, misstatements and other irregularities in the company records, wrongdoing, forgery or other alteration of documents, fraud, other unlawful acts, and any similar acts. It is improper to make a false report or to provide false, inaccurate, deceptive, or misleading information in any patient record or to any insurer, third-party administrator, patient, or other party. Every employee has a responsibility to report suspected misconduct and dishonesty.

## Employee Status

Except as otherwise provided by written agreement or prohibited by law, employment in this office is "at will," meaning that either the employee or the employer can terminate the employment relationship at any time, with or without cause and without prior notice.
