Participant Information

There have been significant changes to the Neonatal Resuscitation Program. To give you the best opportunity to be successful at completing the NRP Program, please follow these directions:

Prior to the on-site course:

✓ Complete the online examination

How can I access the online exam?

You can access the exam through the American Academy of Pediatrics (AAP) website.

Follow these steps:

1. Go to <http://www2.aap.org/nrp/exam/>
2. Click on "6th Edition Online Examination"
3. Click on "First time students click here to register"
4. For "Institution" click on the drop down menu and select "1-Self Registration"
5. Fill out the General information and "Submit"

From this point, the process should be self-explanatory.

What does the online exam cover?

The test covers the material in Lessons 1 – 9 of the Textbook of Neonatal Resuscitation, 6th Edition. The test is not difficult for learners who focus on each lesson's Key Points and know the correct answers to each lesson's Review section. Most new learners require several hours of study time.

The online test is arranged by lesson in the same order as in the textbook. The computer scores each lesson as you submit answers. You may stop testing after a lesson, and resume testing later.

Important things to know about the online exam

- The registration for the online exam will ask if you have designated an NRP instructor for the in-person components of the NRP Provider Course
The answer is **YES**
You do not need to name the instructor
- Lessons 1 through 4 and Lesson 9 are required Lessons. Once you complete the final required lesson, the examination is considered complete and you will not have the opportunity to test on additional lessons. **To prevent being shut out of the examination prior to taking all the required lesson examinations for your course, take the Lesson 9 examination last.**
