arrogant sexy domineering and overbearing Did I mention frustrating Because they can be One more so than the others As for the misstep that will send these precarious new relationships tumbling I think it s coming Volume 5 I can t be sure whether this is the calm after the storm or the stillness that settles in before the next one Either way my love life has flatlined and I m grasping for a way to set things right It should be simple except I m questioning the decision I made I know what I want I m just not sure how to go about making it work Good thing the men in my life are According to them when chaos disrupts your ideal sense of normalcy setting ground rules is the best way to rein it in Just a few basics to keep things from falling apart Only my men aren t calling these additional rules the basics And normal well that s not a word I would use to describe what they have in store for me Volume 6 As though dating three men isn t complicated enough now there are new feelings to decipher and another threat creating chaos Only this time my stalker has stepped up his game and his actions send the men in my life into protective mode But not before I learn that they ve been lying to me since the day I met them These aren t little white lies either Or ones of omission no matter what Creed says These are the kind of lies used to package up secrets that have the ability to alter the entire foundation of our relationship This time I m not looking for space I m not walking away I want answers and they re going to give them to me What I don t realize is that getting them may very well set us on another course entirely Note from the author The Primal Instincts series was originally released in individual volumes Chase Capture and Claim are the combination of these volumes The stories are the same **Harmless** Nicole
