New City Catechism:

The New City Catechism Devotional Crossway, Collin Hansen, 2017-04-13 In centuries past the church has used catechisms to teach foundational Christian doctrines. Today this communal practice of learning basic beliefs via questions and answers has largely been lost. Seeking to restore this ancient method of teaching to the regular life of the church, The New City Catechism Devotional is a gospel-centered, modern-day resource that not only summarizes important Christian beliefs through 52 questions and answers but also helps readers meditate on and be transformed by those doctrines. Each question features devotional commentary written by leading contemporary and historical figures such as John Piper, Timothy Keller, Kevin DeYoung, D. A. Carson, Alistair Begg, Mark Dever, Augustine, John Calvin, Jonathan Edwards, John Owen, Martin Luther, and many others. Each question also includes a relevant Scripture reading and short prayer. Designed for use in a variety of contexts including with families, churches, and small groups, The New City Catechism Devotional stands as a valuable resource for helping adults and children alike learn the key doctrines that stand at the heart of the Christian faith.

The New City Catechism for Kids Gospel Coalition, 2018 A simplified version of The New City Catechism designed for children, this 64-page booklet contains 52 short questions and answers aimed at helping them better understand God, humanity, sin, and salvation.

The New City Catechism Curriculum Gospel Coalition, 2018 The New City Catechism Curriculum expands the questions and answers of The New City Catechism into fifty-two engaging and informative lessons helping children ages 8-11 better understand the truth of God's word and how it connects to their lives.

The New City Catechism, 2017 This modern-day catechism sets forth fifty-two questions and answers designed to build a framework to help adults and children alike understand core Christian beliefs.

New City Catechism Timothy Keller, Sam Shammas, 2014-10-15 A joint adult and children's catechism consisting of 52 questions and answers adapted by Timothy Keller and Sam Shammas from the Reformation catechisms.

The Church Gregg R. Allison, 2021-02-22 What comes to mind when you think of the word church? In this volume, Gregg R. Allison helps define the church and its mission by presenting an overview of the specific doctrines and practices of different churches and denominations. He lays a basic foundation for better understanding the common practices among local church communities, mere ecclesiology, and the ways that they diverge from one another, more ecclesiology. Through this systematic primer, you will come away knowing not only how various churches differ but also how they're ultimately united as the body of Christ and the temple of the Holy Spirit.

Babel Church Li Ma, 2021-03-16 Assisted by a diverse mass media industry, American evangelicalism has been long plagued by consumerism, entrepreneurialism, and social engineering. Churches and movements that carry the name of Christ have become projects of ambition and scandals in the public eye. Without fixing its dysfunctions, these ministry models have expanded to other parts of the world, reaping similar fruits of corruption, prejudice, and abuses. The alarm call of MeToo and ChurchToo movements since 2017 made it more urgent for the global body of Christ to inspect its pathological patterns. What kind of response does the MeToo

movement require of our public theology and leadership ethics Sociologist Li Ma invites us to re engage with biblical exegesis while being attentive to new mandates of God revealed from MeToo A creative Ellulian integration of sociological analysis and theology Babel Church incisively reveals why American evangelicalism and its global projects have succumbed to the temptations of worldly power at the expense of vulnerable members in the body of Christ **Faithful Endurance** Collin Hansen, Jeff Robinson Sr., 2019-04-17 This book will prove to be a spiritual tonic for pastors Thomas R Schreiner This book offers pastors examples of long term faithfulness in ministry and practical wisdom from veteran pastors for real life issues Attending to your personal spiritual life Tim Keller Leaving a church D A Carson Crafting sermons week after week Bryan Chapell Facing criticism Dan Doriani Pastoring a church you wouldn't attend Tom Ascol Caring for your wife in the midst of criticism Juan R Sanchez with Jeanine D Sanchez Feeling deserted by members leaving Dave Harvey Pastoring a small church that seems insignificant Mark McCullough Experiencing burnout John Starke Shepherding a church that has outgrown your gifts Scott Patty Handling financial burdens Brandon Shields Doubting your calling Jeff Robinson Sr Christ Has Set Us Free D. A. Carson, Jeff Robinson Sr., 2019-04-17 How can a sinful human stand before a holy God The New Testament book of Galatians deals with this question a question that stands at the heart of the gospel In Christ Has Set Us Free nine seasoned Bible teachers walk through the entirety of Galatians offering insights on how to interpret and apply its important message about justification by faith This book will help all who teach or study the Bible better understand what Christ has done to set us free from the power of sin through his death and resurrection Everyday Faithfulness Glenna Marshall, 2020-05-07 What does the Christian life look like when life is unpredictable hard or just plain ordinary We live in an instant gratification world where results are quickly measured and words like discipline and perseverance evoke thoughts of legalism or asceticism But Everyday Faithfulness explores what daily perseverance in Christ looks like during various seasons when spiritual growth seems especially difficult Working through the unique challenges that come with seasons of waiting caretaking suffering worry spiritual dryness and more this book delves into practical ways to build habits into everyday life that will aid in spiritual growth throughout a lifetime Each chapter closes with a real life example of a woman whose life of regular everyday faithfulness will encourage readers to remain steadfast in theirs Published in partnership with the Gospel Coalition **A Short Guide to Church** Dean Inerra, 2024-06-04 A common claim in modern American Christianity is that you don't have to go to church to be a Christian The writers of the New Testament however would find a Christian faith separate from the church to be unrecognizable Dean Inerra has often said to his congregation There is more to being a Christian than going to church but there certainly isn't less Belonging to a local church is not something made up by a Christian subculture The local church was God's design It is his grand idea to display his glory and provide the avenue for his people to flourish as his missionaries to the world When one begins to see the church as God's plan the mindset shifts from going to church in order to claim Christianity to seeing oneself as a participant in what God has given his people as a

gift There is a purpose design and reason for why the church functions in the manner she does Consistent practices that may seem as merely tradition upon first glance are prescribed by God for his people to practice together until Christ returns The local church congregated together is the Lord s primary plan for discipleship fellowship and mission for the Christian life A Short Guide to Church is not a technical treatment of ecclesiology but rather a book to put in the hands of every prospective and current church member to help the body of Christ expressed locally to see the purposes and plan of the local church for their life of faith and why it truly is the best thing going **Finding the Right Hills to Die On** Gavin Ortlund,2020-04-14

In theology just as in battle some hills are worth dying on But how do we know which ones When should doctrine divide and when should unity prevail Pastor Gavin Ortlund makes the case that while all doctrines matter some are more essential than others He considers how and what to prioritize in doctrine and ministry encouraging humility and grace along the way Using four basic categories of doctrine in order of importance this book helps new and seasoned church leaders alike wisely labor both to uphold doctrine and to preserve unity **The Plurality Principle** Dave Harvey,2021-02-17 Building and Sustaining a Thriving Leadership Culture Essential to every healthy church is a biblical model of leadership In the New Testament church leadership is built around a team of elders working together each bringing his own unique skills and gifts to the cause of shepherding the flock God entrusted to them However in many churches today the principle of plurality in leadership is often misunderstood mistakenly applied or completely ignored Dave Harvey encourages church leaders to prioritize plurality for the surprising ways that it helps churches to flourish This book not only builds a compelling case for churches to adopt and maintain biblical elder pluralities guided by solid leadership but also supplies practical tools to help elders work together for transformation Download the free study guide *Confronting Christianity* Rebecca McLaughlin,2019-04-17 Although

many people suggest that Christianity is declining research indicates that it continues to be the world s most popular worldview But even so the Christian faith includes many controversial beliefs that non Christians find hard to accept This book explores 12 issues that might cause someone to dismiss orthodox Christianity issues such as the existence of suffering the Bible s teaching on gender and sexuality the reality of heaven and hell the authority of the Bible and more Showing how the best research from sociology science and psychology doesn t disagree with but actually aligns with claims found in the Bible these chapters help skeptics understand why these issues are signposts rather than roadblocks to faith in Christ

Remember Death Matthew McCullough,2025-06-10 The Best Way to Find Meaning in Life Is to Get Honest About Death Life expectancy worldwide is twice what it was a hundred years ago And because of modern medicine many of us don t often see death up close That makes it easy to live as if death is someone else s problem Ignoring the certainty of death doesn t protect us from feeling its effects throughout the lives we re living now but it does hold us back from experiencing the powerful everyday relevance of Jesus s promises to us So long as death remains remote and unreal Jesus s promises will too But honesty about death brings hope to life That s the ironic claim at the heart of this book Cultivating death awareness

helps us bring the promises of Jesus from the hazy clouds of some other world into the everyday realities of our world where they belong Insightful and Accessible Draws from many sources including research from science and psychology and examples from literature pop culture theology and Scripture Christ Centered Encouragement for Life and Loss Teaching what the Bible says about identity futility and grief McCullough offers hope that is tied to the promises of God Replaces ISBN 978 1 4335 6053 8

Reading the Bible, Missing the Gospel Ben Connelly, 2022-09-06 Don't keep asking God for forgiveness Do judge one another And you're not going to heaven for all eternity How have we misunderstood the teachings of Jesus Often His message to the leaders and disciples was You're getting this wrong Somewhere along the way you got confused lost way off track Would He have the same assessment of us today In *Reading the Bible, Missing the Gospel* pastor and author Ben Connelly shows us how to recover God's original intentions in light of the story of redemption Connelly helps us celebrate and understand how Jesus' life, death and resurrection are truly good news for the tangible situations in our everyday lives Biblical misunderstandings can lead to a small view of God but truth overturns that It expands our hearts for God and enables us to truly love others Using theology humor and practical examples the author reveals shockingly common ways we get the Bible wrong Connelly invites Christians to see themes and teachings with new eyes or rather with old eyes on topics like confession and forgiveness what it means to be blessed or happy whether we're commanded to or prohibited from passing judgement How does the gospel inform our understanding and answer these questions Connelly gives readers a new gospel focused lens that addresses common frustrations and helps them see with renewed hope clarity and courage
