New Employee Manual:

The NEW Employee Manual Benjamin Gilad, PhD, Mark Chussil, 2019-03-19 Welcome to Corporate Life The NEW Employee Manual is not your Dad's or Mom's employee manual. It's the new playbook for corporate survival fitting today's realities and the challenges facing employees who join or work in large seemingly successful companies. Those companies already issued very specific and detailed employee manuals covering everything under the sun except how to compete well in our brave new world. The NEW Employee Manual will help you navigate the Corporate with a capital C labyrinth. Where Corporate's manual shapes you into a dutiful cog for the good of the machine, ours helps you enhance your career for the good of well you and your company. The NEW Employee Manual should make you feel skeptical, skeptical of empty slogans, obsolete rituals, obsessive pursuits, and bigwigs playbooks that no longer work. That alone should be worth this book's price. Skepticism you see is a good thing because it is only the skeptic, only the free thinker, only the maverick who asks new questions and finds useful answers. So are you a maverick or a cog?

Foodservice Manual for Health Care Institutions Ruby Parker Puckett, 2012-11-13 The thoroughly revised and updated fourth edition of Foodservice Manual for Health Care Institutions offers a review of the management and operation of health care foodservice departments. This edition of the book, which has become the standard in the field of institutional and health care foodservice, contains the most current data on the successful management of daily operations and includes information on a wide range of topics such as leadership, quality control, human resource management, product selection, and purchasing. Environmental issues and financial management. This new edition also contains information on the practical operation of the foodservice department that has been greatly expanded and updated to help institutions better meet the needs of the customer and comply with the regulatory agencies' standards. TOPICS COVERED INCLUDE Leadership and Management Skills, Marketing and Revenue Generating Services, Quality Management and Improvement, Planning and Decision Making, Organization and Time Management, Team Building, Effective Communication, Human Resource Management, Management Information Systems, Financial Management, Environmental Issues and Sustainability, Microbial, Chemical, and Physical Hazards, HACCP, Food Regulations, Environmental Sanitation and Pest Control, Safety, Security, and Emergency Preparedness, Menu Planning, Product Selection, Purchasing, Receiving, Storage, and Inventory Control, Food Production, Food Distribution, and Service, Facility Design, Equipment Selection, and Maintenance. Learning objectives, summary, key terms, and discussion questions included in each chapter help reinforce important topics and concepts. Forms, charts, checklists, formulas, policies, techniques, and references provide invaluable resources for operating in the ever-changing and challenging environment of the food service industry.
