New Essential Steiner An Introduction To Rudolf Steiner For The:

The New Essential Steiner Rudolf Steiner, Robert A. McDermott, 2009-10 12 lectures Hamburg May 5 31 1908 CW 103 During Pentecost 1908 seven years after he had given the world his book Christianity As Mystical Fact and the first intimation of the consequences of his Christ experience Rudolf Steiner began his great work of renewing humanity's understanding of the Mystery of Golgotha and its meaning for human and earthly evolution Accordingly he turned to the deepest most spiritual of the Gospels that of the initiate St John In this lecture course readers will find that the incarnation death and resurrection of the Divine Word or Logos reveals the mission of the Earth Love We learn of the mysteries behind Lazarus resurrection the I AM sayings and the seven degrees of initiation We come to understand that the Gospel of St John is a continuing spiritual presence to be recalled meditated and permeated with one's own life In doing so we realized that our purpose and that of all humankind is to become the Virgin Sophia a receptacle for the Holy Spirit All of Steiner's work as Marie Steiner writes in her introduction was to pave the way to Christ Indeed at the conclusion of these lectures Rudolf Steiner said It will come to be understood that Christianity is only beginning its influence and will fulfill its real mission only when it is understood in its true spiritual form The more these lectures are understood in this sense the better they will be understood as they were intended This volume is essential if one is to truly understand Rudolf Steiner's understanding of esoteric Christianity and its place in the world today and in the future This volume is a translation of Das Johannes Evangelium GA 103

American Philosophy and Rudolf Steiner Robert A. McDermott, 2012-12 Few thinkers from outside the United States have touched American culture in as many ways as Rudolf Steiner Agriculture education spirituality and medicine or more precisely alternative practices in these fields all bear clear marks of his influence for those with eyes to see Yet the very breadth of Steiner's impact has perhaps made him harder not easier for observers of American culture to notice American Philosophy and Rudolf Steiner aspires to raise Steiner's profile by digging into just one field of inquiry philosophy Before he became known to the world as a transmitter of clairvoyant wisdom Steiner was an academic philosopher editor of the scientific writings of Goethe and author of a foundational work in philosophy The Philosophy of Freedom The Basis for a Modern Worldview published in 1894 That book expressed in philosophical terms many of the ideas that would later emerge as integral to the spiritual science of Anthroposophy Though the authors cover a wide range of topics most share an elegiac tone They see great potential for dialogue between Rudolf Steiner and the great American philosophers of the nineteenth and early twentieth centuries American philosophy may have taken a wrong turn in the mid twentieth century when pragmatism gave way to a tradition of analytical philosophy that eschewed metaphysics as inherently meaningless and focused on the coherence or incoherence of linguistic structures Nonetheless many new sites of potential dialogue exist between Steiner and American philosophy Five of the articles in this volume were written as part of a seminar on Rudolf Steiner and American Thought as part of a Project for the Renewal of Philosophy Science and Education sponsored by Laurance S Rockefeller The

contributors David Ray Griffin Gertrude Reif Hughes Frank M Oppenheim S J Douglas Sloan and Robert McDermott were originally published in ReVision A Journal of Consciousness and Transformation spring and summer 1991 **Owen**

Barfield's Poetic Philosophy Jeffrey Hipolito,2024-03-21 The first book to offer an overview at once introductory and comprehensive of the philosophical thought of Owen Barfield sometimes known as the first and last Inklings and as the British Heidegger Beginning by placing Barfield's early poetics in the context of the critical hurly burly of modernist London of the 1920s Owen Barfield's Poetic Philosophy Meaning and Imagination shows how Barfield's subsequent development of a philosophy of history metaphysics and ethics culminates in his development of a poetic cosmology Hipolito situates Barfield's poetic philosophy in relation to his significant contemporaries and predecessors including T S Eliot D H Lawrence I A Richards Jean Paul Sartre Martin Heidegger and Ernst Cassirer bringing to light for the first time many important aspects of Barfield's thought The book concludes with an analysis of the Burgeon trilogy in which Barfield recapitulates the themes and arguments of his poetic philosophy by exemplifying them in three genre defying works of fiction Structured chronologically and giving a systematic examination of Barfield's thought Owen Barfield's Poetic Philosophy paints a much needed picture of a major thinker and poet who was entirely engaged with his times and who remains crucially relevant to our own

Learning to Dance in the Rain Brian McDermott,Lori McDermott,2011-08-12 When a tragic car accident took the life of our twenty one year old daughter Maia we began a journey that has been paradoxically the most heart wrenching and spiritually uplifting period of our lives Learning to Dance in the Rain chronicles the first year of this journey Through pain and despair to renewed energy and spiritual discovery we write about the many ways in which we are finding strength and inspiration to carry on With help from family and friends a variety of religious spiritual traditions encounters with the natural world and most profoundly continued connection with our beloved daughter we are learning that death is as much a beginning as it is an end and that pain can be a catalyst for personal spiritual growth It is our greatest hope that sharing our story in this way will help others find strength to face the storms that come their way and live their lives with greater awareness www.learningtodanceintherain.net
