Because as excited as you may be to start driving on your own you only get a few tries to pass the written test before you're forced to begin the whole application process all over again. Even if you've read through the DMV handbook over and over you might miss a redundant question where all of the answers look like they could be correct. And missing just one question is enough to invalidate your entire driver's license application. But there's a simple and easy way to save yourself the embarrassment of failing your driver's license test. With the right study guide you'll be prepared for every question you come across on the test so you can pass with flying colors. In this New York Driver's Practice Tests Course you will discover A comprehensive guide to applying for taking and passing the New York DMV written exam. Over 700 questions and answers to prepare you for the most recent version of the written test. Detailed explanations of each answer to help you get a perfect score. Over 9 different chapters that lay out the basics of each section on the exam plus 2 BONUS cheat sheets. The biggest mistake most people make when prepping for their tests and how you can avoid the same fate. 56 tips and tricks to get you ready for both the written exam and the road test. Studying hacks to make sure you ace every question on the test even if you don't have enough time to practice. The 12 questions most test takers get wrong answer these the right way if you don't want to fail. And much more. Don't waste hundreds or even thousands of dollars on driver's ed courses that barely even help you with the written portion of your driver's license test. This New York Driver's Practice Tests Course shows you everything you need to know to pass your exam on the first attempt and for only a small fraction of what it costs to hire an instructor. Regardless of your driving experience this all in one guide will boost your test taking confidence and have you cruising around New York in no time.
