

Observing Human Traits Lab

How much do traits vary in your classroom?

Traits are physical characteristics you inherit from your parents. In this investigation, you will take an inventory of your observable traits and compare these to the observable traits of your classmates. You will then take inventory of students and teachers in your school. Finally, you will determine the frequency of each trait in your school's population.

Observing your own traits

- a. The graphic below shows seven different human traits. Each trait has two different forms. Study the chart below, then follow the procedures carefully.
