Tests – 14

Correct – 47

Incorrect – 3:

- 7) Didn't completely understand full poem, but chose C and thought that "eternal lines, death, too short a date" gave the meaning of loss of loved one. Nevertheless, it actually did say that NOR death brag you ..., which contradicts C option. Thought that B option could also be correct, but C more direct.
- 8) Because of Word "restaurants", I thought that B is correct, but that word is given to just mention the places could be followed during journey. So B is incorrect, while A is correct option
- 10) Still I think that D is correct option. "Into the valley of death, rode the six hundred" gives the meaning of death of soldiers. But maybe it is less direct compared to A, which includes "cavalry charge"
