

Poetry Analysis Sheet

Use this project page with class and analyze a poem written by a Latino poet. The following instructions will help you understand the meaning of the poem.

1. What does the title mean?

Take a look at the title and reflect on what it means. _____

(You will need this for the introductory paragraph.)

2. Put in the poem some words.

Read the poem two or three times. You will see something different each time you read the poem. Write a brief summary of the poem in your own words. Highlight at least some of the words (verbs, nouns, phrases) that are important to understanding the poem.

3. What do you think the poem means?

Write down about the meaning of the poem, not just the obvious meaning of each word but reflect on what you think the poet meant. Do these words suggest something else?

Answer these questions:

- What is the subject of the poem? _____
- What are they talking about? _____
- Why do you think the author wrote the poem? _____
- Where is the poem happening? _____
- When is the poem happening? _____
- What is the poem's attitude? _____
- How does the poem shift from person to person or between different times or places? _____

Now you will be asked a poet's understanding of an experience or another happening with the difference about the word. The difference may be in language (language) or in thought (thought) or in emotion (emotion) or in suggestion (suggestion). Explain how these things connect the poem's meaning.
