

Pointless Conversations: Previews

A Brief (But still Pointless) extract about the time monster, Doc Brown...

There are a vast number of examples in all three of the Back to the Future films, where Doc berates Marty for being inquisitorial with the dangers of time traveling. But then does one does something twice as bad.

For instance: Near the conclusion of the first film, Doc is annoyed when Marty gives him a letter, warning him of his future incarceration: he goes crackers! But Doc then decides to take Marty's advice and wear a bullet-proof vest anyway, giving his excuse as "what the hell"

To be honest, I always had a problem with the whole vest scenario. I mean: how **HE** Doc knew he wasn't going to get shot in the face?

It's a fair point: Marty gives no details in his letter.

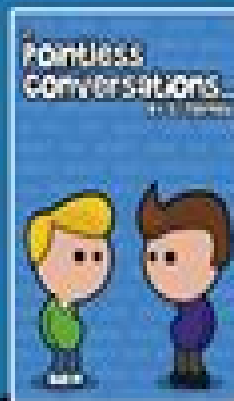

Although if the letter had said "Doc, the next I go back, you will be shot "bracket" several times in the face, pelvis, tumbit, spine, kneecaps, kidneys and gonads "bracket" by terrorists...", the letter may have been a bit...strong.

International Perspectives on Rethinking Evil in Film and Television Tüysüz, Dilan, 2020-12-22 Aestheticization of evil is a frequently used formula in cinema and television However the representation of evil as an aesthetic object pushes it out of morality Moral judgments can be pushed aside when evil is aestheticized in movies or TV series because there is no real victim Thus situations such as murder or war can become a source of aesthetic pleasure Narratives in cinema and television can sometimes be based on a simple good evil dichotomy and sometimes they can be based on individual or social experiences of evil and follow a more complicated method Despite the various ways evil is depicted it is a moral framework in film and television that must be researched to study the

implications of aestheticized evil on human nature and society *International Perspectives on Rethinking Evil in Film and Television* examines the changing representations of evil on screen in the context of the commonness normalization aestheticization marginalization legitimization or popularity of evil The chapters provide an international perspective of the representations of evil through an exploration of the evil tales or villains in cinema and television Through looking at these programs this book highlights topics such as the philosophy of good and evil the portrayal of heroes and villains the appeal of evil and evil's correspondence with gender and violence This book is ideal for sociologists professionals researchers and students working or studying in the field of cinema and television and practitioners academicians and anyone interested in the portrayal and aestheticization of evil in international film and television *Admit One* Emmett James, 2010-02-02 First set in Croydon South London in the 1980s *Admit One* details how Emmett James escaped the pains of adolescence by going to the cinema With wry self-deprecating humor and observation the author reflects on obsessions over and rages about film and its correlation to our pasts The author finds that his true calling is in transiting one side of the screen to the other He decides to leave England for the only place where he can realize his dream of becoming an actor America We then follow the author on his numerous Hollywood adventures watching as he glides smoothly from forgery to pornography to crashing the Academy Awards under the alias of a nominated screenwriter and eventually stumbles into acting in the highest grossing movie of all time *Titanic* At every turn the films that inspired Emmett James as a child resurface and they serve to contextualize his humorous collection of stories in which he provides unique insights into the fascinating world of film
