**Old Norse-Icelandic Literature** Medieval Academy of America,2005-01-01 In the past few decades interest in the rich and varied literature of early Scandinavia has prompted a corresponding interest in its background its origins social and historical context and relationship to other medieval literatures Until the 1980s however there was a distinct lack of scholarship in English that synthesized the critical trends and thinking in the field so in 1985 Carol J Clover and John Lindow brought together several of the most distinguished Old Norse scholars to contribute essays for a collection that would finally provide a comprehensive guide to the major genres of Old Norse Icelandic literature The contributors summarize and comment on scholarly work in the major branches of the field eddic and skaldic poetry family and kings sagas courtly writing and mythology Their essays
