Grasping for Power Angela Marshall, 2023-10-17 Grasping for Power is a gripping tale of ambition and desperation where the pursuit of power pushes characters to the edge of reason In a world where deceit and manipulation are rampant this narrative delves into the consequences of falsehoods on individuals and relationships *Sally's Dreams* Estelle Rauch, 2019-10-14 We meet Sally as a young Barnard student struggling to escape from her parents troubled relationship She embraces healthy distance in Stanford Law only to be pulled back into the family drama via her father s disappearance Eventually joining her Israel born physician boyfriend she travels to Israel where some of her father s secret life is revealed Via the FBI she helps trap her dad who is returned to NY for trial Sally s own life seems on hold until circumstances free her up to look at her own emotional struggles this help her leave one relationship and embark on her search for a healthier professional and emotional life **Genealogical and Family History of the State of New Hampshire** Ezra Scollay Stearns, William Frederick Whitcher, Edward Everett Parker, 1908

American English Primary Colors 3 Teacher's Book Diana Hicks, Andrew Littlejohn, 2002-10 American English Primary Colors is a new 4 level course for young learners from six to eleven years old *Measure of the Rule* Robert Barr, 1973-12-15 Robert Barr has been almost completely overlooked by critics and anthologists of Canadian literature in part because although he was educated in Canada he spent most of his life in the United States and England However since most of his serious novels are either set in Canada or have some Canadian connection Barr deserves attention The Measure of the Rule originally published in 1907 is the nearest he came to writing an autobiographical novel It concerns the Toronto Normal School and the experiences there in the 1870s of a young man who undoubtedly is Barr himself In this novel Barr is exorcising unhappy memories and is ironic even bitter about the school s quality of education the rigid discipline observed by its staff and their indifference to their students and the sexual segregation practiced A number of men under whom Barr actually studied are vividly caricatured As a realistic study of Ontario s only central teacher training institution in the late nineteenth century The Measure of the Rule will appeal both to those interested in Canadian fiction of that period and to those more concerned with the evolution of the system of education established by Egerton Ryerson Also included with this reprint of the novel is an essay originally published in 1899 and entitled Literature in Canada In this essay Barr elaborated upon his opinions of the school system and its quality of education
