

CLOSING REMARKS

Provost: Thank you, Mr Chairman. May I on behalf of the faculty say a brief word of thanks to you, our president and all our speakers. We are very grateful to Geigy (U.K.) Limited Pharmaceuticals Division, who have been responsible for the organization of this meeting and the financing of it, for without them we would not have had such a remarkable time this afternoon. Finally, our thanks go to our own Dr Austin Elliott and Dr George Crawford, who did so much also in the organization.

Vera and the Ambassador Vera Blinken, Donald Blinken, 2009-02-19 Vera and the Ambassador is a book to be savored and enjoyed on many levels Both a behind the scenes peek at the operations of a U S embassy in a post Cold War former Soviet satellite and a personal story of a refugee's escape and triumphant return Vera and Donald Blinken's dual memoir openly details their challenges setbacks and victories as they worked in tandem to advance America's interests in Eastern Europe and to restore a former Soviet satellite state to a pre communist level of prosperity Hungary in all its cultural glory and historical anguish lies at the heart of this dramatic and deeply personal story Born in Budapest just prior to World War II Vera was only five years old when the Germans invaded in 1944 In a harrowing account she describes how she and her mother managed to survive the atrocities of the war and in 1950 narrowly escape Soviet occupied Hungary for the freedom and opportunity of America Making their way to New York Vera settled into her adopted country with an indomitable spirit a vow to become the best American she could be and a hope of finding some way to give back as a show of gratitude for her good fortune in surviving the destruction of the war That opportunity came in 1994 when her husband was appointed ambassador to Hungary by President Clinton just five years into the country's tentative transformation from a command economy and totalitarian government into a market economy and fledgling republic based upon democratic ideals A former investment banker Donald might have lacked foreign service experience but his skills as an administrator and his willingness to try innovative ideas combined with Vera's knowledge of Hungarian language and culture and her outreach to the Hungarian community helped them deal head on with a variety of challenges including a collapsing economy and the threat of a slide back toward the old ways of communism and a brutal civil war that raged across the country's southern border in the former Yugoslavia Replete with colorful characters from the streets of Budapest humorous scenes at the ambassadorial residence and accounts of tense high level diplomatic negotiations in the run up to Hungary's vote to join NATO Vera and the Ambassador shows how the Blinkens helped chart a new course for American diplomacy in the mid 1990s Ultimately it is also the story of how Hungarians came to see them personally and memorably as their Vera and their ambassador
