However, many churches have inadequate facilities or feel the crunch of overcrowding and are without the immediate resources for expansion. **Student Underground** Youth Specialties Staff, 2000 What if your youth group were being hunted by something far more insidious than the other side in Capture the Flag? No, your students aren't being stalked. But millions of Christians around the world suffer political repression, discrimination, imprisonment, harassment, family division, rape, and torture because of their faith. Children of believers are sold into slavery for the cost of a CD. Every 3 1/2 minutes a Christian dies for the faith. In fact, during your hour-long youth group meeting, 17 Christians will be martyred somewhere in the world. Student Underground gently but inexorably forces open students' eyes to the anguishing world-wide persecution of Christians and how teenagers can start praying for, communicating with, and reaching out toward victims. Use these 4 sessions along with the companion 60-minute award-winning film *Behind the Sun* as a high-impact retreat, a lock-in event, or a month of weekly meetings. Student Underground shows why to care and how to help. Here's a clear, thorough, and convenient curriculum for leaders, including a plethora of quotable facts about how, why, and where Christians are suffering. Not to mention concrete and realistic plans for student action. Plus, where to find a complete underground church service on [www.YouthSpecialties.com](http://www.YouthSpecialties.com), a simulation of what going to church is like for Christians in restricted countries. *Fundraising Basics* Barbara L. Ciconte, Jeanne Jacob, 2008-12-18 As nonprofit organizations face heightened scrutiny by the general public, donors, regulators, and members of Congress, the Third Edition of the essential book on the basics of fundraising provides new, up-to-date and valuable information that every fundraiser needs to know. Laurie Delgatto, Marilyn Kielbasa, 2002 Church Women Probing History with Girls outlines strategies for discovering the richness of women's contributions to the life of the Church. Some of the women featured in this manual lived centuries ago like Hildegard of Bingen and Julian of Norwich. Some are heroines of recent times like Sr Helen Prejean, several martyred women of El Salvador and a young woman from Iowa named Carrie Mach. All have one thing in common: they changed their world because of their faith, courage, conviction, and action.

The Short-term Missions Boom Michael J. Anthony, 1994. By the year 2000, nearly three-fourths of all missions work will be done by short-termers from teens to retirees. Now in this guide to recruiting and planning, Tony Campolo and 15 others show how to develop the congregation's vision, involve Christians in a world missions organization, and develop projects close to home.

**Money Matters in Church** Aubrey Malphurs, Steve Stroope, 2007-07-01. Money Matters in Church helps leaders to discover a one-stop comprehensive model for managing finances and fundraising. It guides leaders of any size church or ministry to create a culture of giving that supports savvy, faithful, and legal financing. The authors present a biblical theology of stewardship that supports ways to develop donors and maximize contributions, enact a strategic budget and effective audit process, project income and expenses, work with banks, compensate staff, and address debt. The book's practical step-by-step approach makes finance issues understandable for leaders without a business background.
