Oxford Textbook of Correctional Psychiatry brings together American and international experts to provide a comprehensive overview of the field. Students and psychiatric residents will find basic information that prepares them for clinical rotations and psychiatrists working in jails and prisons will find a detailed review of the complex issues that arise in these settings. The Oxford Textbook of Correctional Psychiatry contains 71 chapters divided into 14 sections. The first three sections address history, structure, and processes, including chapters on case law, human rights, ethics, organization, and funding of systems and stages of patient management that cover initial assessments through re-entry. The next three sections review in turn a broad array of management issues, emergencies, and psychopharmacology topics. Among other topics, these sections include chapters on sleep, detoxification, reassessment of community diagnoses and treatments, diversion programs, levels of care, malingering, substance use within facilities, and formulary management. Section seven has chapters on common psychiatric disorders, relevant medical disorders, and pain management. Sections eight through ten focus on psychotherapeutic options, suicide risk management, and addictions treatment. Chapters on aggression, self-injury, and other behavioral challenges appear in Section eleven. Section twelve reviews unique assessment and treatment needs of many distinct population groups. Special topics such as forensics, psychological testing, sexual assaults, quality improvement, training, and research appear in Section thirteen, followed by a section devoted to current resources in correctional healthcare. The range of topics covered and the number of prominent contributors set this book apart from other available resources. Readers at all stages of their careers will gain the depth of understanding and practical information they need to approach all of the common clinical

organizational and ethical challenges they face. **Introduction to Corrections** Robert D. Hanser, 2023-05-12. Introduction to Corrections provides students with a comprehensive foundation of corrections that is practitioner-driven and grounded in modern research and theoretical origins. Experienced correctional practitioner, scholar, and author Robert D. Hanser shows students how the corrections system works from classification, security, and treatment to demonstrating how and why correctional practices are implemented. The Fourth Edition includes a special emphasis on the role of technology in each chapter, new topics on medical care in jail, female drug offenders, and controversies around the death penalty and the impact of the COVID-19 pandemic on correctional practices. Data and examples drawn from federal government documents, along with exercises that reinforce concepts in the text, further aid student learning. [The SAGE Guide to Writing in Corrections](#)

Steven Hougland, Jennifer M. Allen, 2019-12-02. As part of the SAGE Guide to Writing series, The SAGE Guide to Writing in Corrections 1e by Steven Hougland and Jennifer Allen focuses on teaching students how to write in the academic setting while introducing them to a number of other professional writings specific to the correctional profession, such as the pre-sentence investigation report, contact sheets, court status reports, incident reports, rehabilitation and therapy. Covering correctional institutions as well as community corrections, the goal is to interweave professional and technical writing, academic writing, and information literacy with the result being a stronger, more confident report writer and student in

College for Convicts Christopher Zoukis, 2014-10-21 The United States accounts for 5 percent of the world s population yet incarcerates about 25 percent of the world s prisoners Examining a wealth of studies by researchers and correctional professionals and the experience of educators this book shows recidivism rates drop in direct correlation with the amount of education prisoners receive and the rate drops dramatically with each additional level of education attained Presenting a workable solution to America s mass incarceration and recidivism problems this book demonstrates that great fiscal benefits arise when modest sums are spent educating prisoners Educating prisoners brings a reduction in crime and social disruption reduced domestic spending and a rise in quality of life Instructors considering this book for use in a course may request an examination copy here

Malingering, Feigning, and Response Bias in Psychiatric/ Psychological Injury Gerald Young, 2014-02-11 This book is a comprehensive analysis of the definitions concepts and recent research on malingering feigning and other response biases in psychological injury forensic disability populations It presents a new model of malingering and related biases and develops a diagnostic system based on it that is applicable to PTSD chronic pain and TBI Included are suggestions for effective practice and future research based on the literature reviews and the new systems which are useful also because they can be used readily by psychiatrists as much as psychologists In Malingering Feigning and Response Style Assessment in Psychiatric Psychological Injury Dr Young ambitiously sets out to articulate and synthesize the polarities involved in the assessment of response styles in psychological

disabilities including PTSD pain and TBI He does so thoroughly and very even handedly neither minimizing the degree that outright faking can be found in substantial numbers of examinees nor disregarding the possibility that there can be causes for validity test failure other than malingering He reviews the prior systems for classifying evidence of malingering and proposes his own criteria for feigned PTSD These are conservative and well grounded in the prior literature Finally the book contains dozens of very recent references giving testament to Dr Young s immersion in the personal injury literature as might be expected from his experience as founder and Editor in Chief for Psychological Injury and the Law Reviewer Steve Rubenzer Ph D ABPP Board Certified Forensic Psychologist
