## **F332 advanced notice JUNE 2014 \_\_\_\_\_ *PREP***

Every year OCR release a piece of information in March that needs to be read through, understood and questioned by AS students. It is then questioned in the F332 exam paper in June of that year.

In order to get ready for the advanced notice question (usually the last question on the F332 exam paper) we have a task for you.

### In this pack are :

- >The advanced notice doc for June 2012
- >Q5 from the June 2012 F332 exam paper (covering advanced notice material)
- >Q5 answers
- >The June 2014 F332 advanced notice document  
(remember, this is also available on the school website and you'll be given a copy in the exam.).

### Your task:

Look through the June 2012 materials and try to work out **why** those particular questions (in Q5) were asked. The subject of the advance notice is different, but it's useful F332 material on polymers etc..... that you need to know.

Then read through and try to understand the advance notice material for June 2014. You may find that you have to read around it in revision guides or on the internet in order to fully understand the chemistry in it. Please feel free to annotate / highlight it. You will not be taking this into the exam – it's yours to keep.

Then have a go at predicting questions that could be asked about the advance notice on your F332 paper in June 2014.

**You are asked to prepare between 8 – 12 questions, together with the answers.**

**Please make sure that you have a mix of easy/recall questions, but also some harder Qs .....**

▶*Explain in terms of IMF why .....*?

▶*If polymerisation of flavanols is catalysed by low pH conditions, what does this tell you about the role of carboxylic acids in wines?*

▶*Explain why the reaction between Epicatechin and Gallic acid, in wine, is known as a condensation reaction?*

**Please email** these questions to \_\_\_\_\_ by \_\_\_\_\_

The best ones will then be collated and will be issued to you as part of a tutorial lesson on this on \_\_\_\_\_

# Salters Advance Notice 2015 Possible Questions

**Benjamin Leruth, Stefan Gänzle, Jarle  
Trondal**

### **Salters Advance Notice 2015 Possible Questions:**

*IT Contracts and Dispute Management* Steven Baker, Lawrence Akka, Rachel Glass, 2023-07-01 This comprehensively revised second edition of *IT Contracts and Dispute Management* offers an in depth analysis of the legal issues that could potentially arise within each critical stage of a technology project The authors draw on their extensive practical experience of advising and litigating in this evolving field and have produced a work that is both authoritative and pragmatic **The Routledge Handbook of Differentiation in the European Union** Benjamin Leruth, Stefan Gänzle, Jarle Trondal, 2022-05-11 The Routledge Handbook of Differentiation in the European Union offers an essential collection of groundbreaking chapters reflecting on the causes and consequences of this complex phenomenon With contributions from key experts in this subfield of European Studies it will become a key volume used for those interested in learning the nuts and bolts of differentiation as a mechanism of dis integration in the European Union especially in the light of Brexit Organised around five key themes it offers an authoritative encyclopaedia of differentiation and addresses questions such as How can one define differentiation in the European Union in the light of the most recent events Does differentiation create more challenges or opportunities for the European Union Is Europe moving away from an ever closer Union and heading towards an ever more differentiated Union especially as leading political figures across Europe favour the use of differentiation to reconcile divergences between member states This handbook is essential reading and an authoritative reference for scholars students researchers and practitioners involved in and actively concerned about research in the study of European integration As European differentiation is multifaceted and involves a wide range of actors and policies it will be of further interest to those working on countries and or in policy areas where differentiation is an increasingly relevant feature The Introduction and chapters 13 21 30 and 35 of this book is available for free in PDF format as Open Access from the individual product page at [www.routledge.com](http://www.routledge.com) It has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license
