CHAPTER- SHORT STORY: SALVATORE

ANSWER KEY

1. Salvatore is the protagonist of William Somerset Maugham's story. The character of Salvatore evolves into an **epitome of true love and affection**.

Salvatore, being the eldest brother, used to **take care of his two younger brothers** as a responsible guardian. It was **out of a sense of love and affection**. He would not let them venture too far into the sea. He would also dress them up when they had to climb up the hot hill for the midday meal.

Salvatore fell **madly in love with a pretty girl**. They were affianced but could not marry till Salvatore had completed his compulsory military service. When he became a sailor in the navy, he wept like a child. He felt dreadfully homesick and **parting from the love of his life shattered him**. He used to write **long passionate letters** telling her how much he missed her and longed to see her.
