with lesser efforts as compared to other General Studies Papers i.e. if you dedicate 15-20 days to this subject you will not just learn about the complete subject but you can score much more as compared to other General Studies paper as they require much more time because of their dynamic nature. If we consider the previous year question Papers of General Studies IV the questions were divided into two parts as 1 Theory based Questions based on the theoretical aspects of the ethics and 2 Case Studies based on the actual or probable life situations. The answers are divided into two portions with first one detailing about the framework of the answer or background of the question giving details about the basic idea of the question or the form of case study. The second part is the model answer giving wider inputs on the question. We hope that wider considerations will help the reader in understanding the question and how to structure the answer based on the question.
