REDISCOVERED FROM THE BESTSELLING AUTHOR OF SALMON FISHING IN THE YEMEN Elizabeth has been married to
Michael for ten years She has adjusted to a fairly monotonous routine with her wealthy decent but boring husband Part of
this routine involves occasional visits to Beinn Caorrun the dank and gloomy house in a Scottish glen that Michael inherited
But then Michael begins to change It starts when he thinks he sees in a picture the figure of a girl on a landing As he
changes life becomes so much more fun and Elizabeth sees glimpses of a man she can fall in love with at last But who or
what is changing Michael The Congregationalist and Christian World, 1915 **Quick Fix? Struggling and Suffering**
Jesus Esquivel, 2025-10-10 This book is about addressing issues that are holding us back keeping us stuck suffering and
struggling There is hope The Bible has all the answers we need for biblical living and dealing with core psychological issues
in a healthy way God meets our spiritual and psychological needs but we don't always see that when we are struggling or
suffering In Bible times people didn't have psychology it's true but they had God's word and God knows what men women
and children need to grow from infancy to mature adults We can't oversimplify people's problems and just ask them to pray
more to solve deep rooted core issues because people and problems are complex We need to be careful to not reduce issues
to one simplistic cause but rather understand that there are many causes our past traumas social and psychological
influences etc God used prophets priests and leaders to counsel to encourage to teach In fact God gave a whole book on
wisdom on how to deal with life Jesus counseled or talked and taught to people gave them truth and perspective about life
and helped them to cope better This book takes an integrative approach to solving problems looking at our self worth and
how the Bible and psychology work together to address the whole person whom God created **Survey of Conditions of
