emerging global and national trends suggests that employment of the aerospace assets as well as nation's expectation from the IAF will continue to rise. Alongside there is an unplanned fall in flying platforms, weapon systems and pilot strength of the IAF. This study is an attempt to analyse the history of the IAF in war as well as other than war operations to appreciate the emerging trends in geopolitics, aerospace technology and doctrine and to identify the likely challenges IAF would be facing in the next two decades and beyond. Road map for transformation of the national security framework, indigenous aerospace industry and the IAF has also been suggested. Official Gazette Philippines, 2013
