

The museum challenges the author to use his or her most intimate core of self to enact a rigorous process of strategic formal intersections. Intersect two of Euler's propositions, force through to form and transmute two machines, a vintage radio into a sewing machine. Opposing movements gather to a point and thrust outward, combining forces in armature. This final frame imposes into structure by abstracting a personal text and channel proposition from text to messenger and vector hugs.

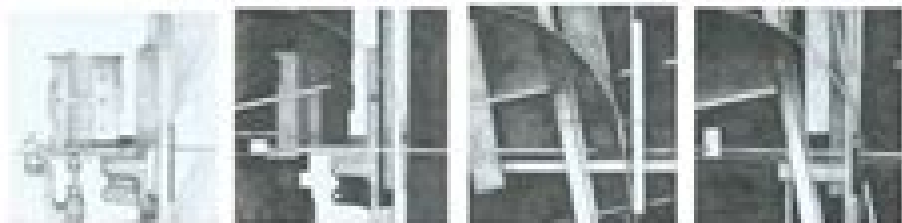

Verticality's Pathways

An ascertainable untruth, conceived within the musing, inquired and deeply subtracted. Properly disclosed, properly disclosed, properly preserved tradition. Above revealing the traditional mode. Above securing, initiated by such agency as the elemental discipline. At the revealing prelude of the religious text, it is seized at the disclosure of its pervasious traction.

This creates a moment of departure, a turn and way or the other to become something different or to remain as one has always been.

Enter an occasion of complex. James Joyce and Ernest Hemingway guide the structure in its programmatic necessities while the forms, porting into a place defines a strategy of structure placing the occupant to a relentless responsibility of preserving all humans.
