

CHARACTER REFERENCE LETTER FOR COURT

Brisbane Magistrates Court

Your Honor,

I have known Lionel Bedford for the last 10 years. Lionel's grandparents live next door to me. Lionel lived with his grandparents until five years ago. He is friends with my children, and he regularly visits his grandparents and will come over to talk with me.

During this time, I have found Lionel to be an honest and trustworthy person. I have trusted him to look after my cat and collect my mail while I was on holidays.

Lionel had a troubled early family life. He was placed with his grandparents at the age of 14 years by the Department of Family Services. I do not know the reason for the placement.

Lionel has held a few different jobs since the left school but seems to have settled into a good retail job over the last couple of years.

Lionel has told me he has been charged with willful damage. He said this was because he threw his wallet, which hit some glasses and smashed them. He said this only happened because he was under the influence of alcohol and became agitated.

Lionel has told he is embarrassed about the incident and does not normally behave in that manner. He also said he was willing to pay for the broken glasses to be replaced.

Yours Sincerely,

Modern Criminal Law A P Simester, 2024-04-18 This book brings together leading scholars from the next generation of UK criminal lawyers to celebrate the work of GR Sullivan Emeritus Professor at University College London in the year of his retirement from writing Simester and Sullivan s Criminal Law Theory and Doctrine The contributors examine many of the areas in which GR Bob Sullivan s own writing has been influential ranging from general doctrines such as causation and culpability across specific offences like theft and fraud through defences including necessity and insanity before turning finally to matters affecting the criminal process notably challenges to the doctrine of precedent in criminal law Taken together the essays are a powerful tribute to Bob s standing and influence upon modern criminal law At the same time individually they make sophisticated contributions to our understanding of some pressing issues in contemporary criminal law The essays illustrate the increasing importance of theoretical argument in modern criminal law as well as the manner in which doctrinal debates have become interwoven with arguments about criminalisation norms The resulting collection is thus

a tribute also to the character of modern academic criminal law a character that Bob and the writers of his generation did so much to develop
