

Salutatorian Speech - Christopher Harris

Good morning students, school board members, superintendent and district staff.

First, I would like to thank all of you, from teachers to friends and family, for being in attendance this morning. You have all had a profound impact on the development of the students that will be graduating today, and I feel it is safe to say that I speak on behalf of the whole graduating Class of 2010, in thanking you for all of your efforts that you have invested in us to this day.

When I first sat down to write this speech, tons of thoughts were flowing through my mind. Am I going to reminisce about memories of great importance to me? How about speaking of significant events for the entire school? What is the message I should try to convey? Will I pass out or just be at a loss for words, because to be honest, I did not think I had it in me to do this. But the most important goal I strove for was to create a speech that was truly different.
