Influence Without Authority Allan R. Cohen,David L. Bradford,2011-01-11 In organizations today getting work done requires political and collaborative skills That s why the first edition of this book has been widely adopted as a guide for consultants project leaders staff experts and anyone else who does not have direct authority but who is nevertheless accountable for results In this revised edition leadership gurus Allan Cohen and David Bradford explain how to get cooperation from those over whom you have no official authority by offering them help in the form of the currencies they value This classic work now revised and updated gives you powerful techniques for cutting through interpersonal and interdepartmental barriers and motivating people to lend you their support time and resources

Short-Term Decisions Equal Long-Term Disasters Craig Allen,2003-08 SHORT TERM DECISIONS equal LONG TERM DISASTERS by Craig D Allen CFA CFP CIMA is an instruction manual for dealing with day to day decisions in a structured and constructive manner This book does not espouse one specific solution to any problem Rather it proposes a systematic framework of decision making intended as a guide to help you solve your own problems through deliberate analysis and positive change As the author states I see this book as a life manual intended to guide you in your quest to get what you want out of life and to feel good about yourself in the process Too often our natural tendencies drive us to look for a quick fix solution to a given problem that provides us with the most attractive short term benefit As the author states What I will propose in this book is that human behavior tends to favor making decisions based on obtaining short term benefits which rarely result in the person attaining their true goals This book explores the motivating factors that push us towards these short term decisions and the methods we can use to short circuit this behavior to improve our decision making process and thus the quality of our lives

Description Includes bibliographical references and index *Intrinsic Motivation* Stefan Falk,2023-02-07 Intrinsic motivation doing a thing for its inherent satisfaction rather than external rewards is the key to success and satisfaction in any endeavor A legendary performance coach shares his simple proven and fun methods for cultivating and keeping it To be productive and optimistic about our personal and professional lives we want to feel that we can understand and influence what is happening around us today and that we have a reliable insight into what will happen tomorrow We also require a rich

supportive and secure social life As more of us work remotely and the frequency of our in person contact decreases this desire for connection and trust has only become more important the social drive is so strong that our body temperature drops when we feel excluded To satisfy our psychological needs in today s professional world we must pursue them consciously and purposefully but unfortunately most of us don t know how to do so effectively Instead we waste our time on ineffective coping strategies that often make us feel even worse The true solution to becoming happier healthier and more productive is to become intrinsically motivated To stop wasting time on activities that don t really contribute to our careers or our company s success eschew the dog eat dog culture of modern business and find ways to take pleasure in what we do and to do it well

Intrinsic Motivation by Stefan Falk is a comprehensive guide to achieving this goal Filled with methods and techniques he developed at McKinsey Company and through 25 years as a senior executive and performance coach working with elite athletes top executives special operators in the armed forces and leaders from all walks of life this book will revolutionize your approach to success at work and beyond
