The number of players and spectators has risen and soccer now rivals the more traditional American sports of baseball, basketball and football. This is a study of current youth soccer training methods at professional clubs in Europe where soccer is an extremely competitive sport and a guide to applying those methods to young people in the United States. The author draws much of his information from personal observation of the FC Barcelona, Newcastle United, Glasgow Celtic, Munich 1860 and Slavia Prague professional teams in Europe and provides an overview of the state of youth soccer in the United States.
