The Unconventional Thinking of Dominant Companies Jim Bramlett,2018-07-12 Have you ever wondered what separates
a good company from a great one or a great one from a dominant company Do you know why Amazon completely dominates
the e commerce market Why does Uber lose money and yet get valued at over fifty billion dollars Why does Netflix crush its
competition Dominant companies think differently They engineer their company completely around the customer and
especially the customer experience Whether they realize it or not dominant companies use a formula that conventional
companies dont In this book you will learn about the hassle quotient and how companies that use it can dominate or take a
