No Apologies From Focus On The Family:

Focus on the Family with Dr. James C. Dobson, 1999

Progressive Sexuality Education Mary Lou

Rasmussen, 2015-10-05 This book engages contemporary debates about the notion of secularism outside of the field of education in order to consider how secularism shapes the formation of progressive sexuality education Focusing on the US Canada Ireland Aotearoa New Zealand and Australia this text considers the affinities prejudices and attachments of scholars who advocate secular worldviews in the context of sexuality education and some of the consequences that ensue from these ways of seeing This study identifies and interrogates how secularism infuses progressive sexuality education It asks readers to consider their own investments in particular ways of thinking and researching in the field of sexuality education and to think about how these investments have developed and how they shape existing discourses within the field of sexuality education It hones in on how progressive sexuality education has come to develop in the way that it has and how this relates to conceits of secularism This book prompts a consideration of how progressive scholarship and practice might get in the way of meaningful conversations with students teachers and peers who think differently about the field of sexuality education

Breaking the Silence Ellen Grünkemeier, 2013 South Africa is one of the countries in the world most affected by HIV AIDS and yet until recently the epidemic was barely visible in South African literature Much can be gained from approaching the South African epidemic through creative texts such as novels photographs films cartoons and murals because they produce and circulate meanings of HIV AIDS and its various facets such as its origin transmission routes and physical manifestations Other aspects explored are the denial of HIV AIDS its stigmatisation discriminatory practices modes of disclosure access to anti retroviral medication as well as the role of alternative treatment Creative texts which are open to different and possibly contradictory readings can serve as a starting point to increase the cultural visibility of the virus and to challenge dominant ideas about the epidemic The cultural constructions of HIV AIDS should be carefully examined because the meanings are pervasive and have very real consequences they play a powerful role both in determining which issues receive attention and in shaping public understanding of the virus

Define the Relationship

Jeremy Clark, Jerusha Clark, 2009-02-04 Ken thinks he and Becky are just having fun together Becky is already picking out bridesmaid dresses Melissa has decided to break up with Tony Tony thinks Melissa is the one Are miscommunications like this unavoidable What's the best way to end a relationship or to take it to a more serious level Chances are you've heard of The Talk Every romantic relationship comes to the point where things need to be defined or redefined Do we become romantically exclusive Is our relationship ready or not ready to move to the next level What are our boundaries and expectations Is it possible to just be friends Getting all the cards on the table Communicating openly and honestly It sounds like a great idea right The tough question is how do you communicate in a way that significantly benefits you both and doesn't leave you dreading those important conversations in the future In *Define the Relationship* you'll find everything you need to know about positively defining and redefining your

current or future dating relationships Written in light of the complexities of dating today this long needed resource will help you avoid painful and confusing dating dilemmas and experience instead the freedom of well defined spiritually grounded and truly rewarding relationships **Focus on the Family** ,2002 *YOUTH DRIVEN WITH PURPOSE* , This book is embedded with practical tools that will help young people make wise choices It is a collection of principles I have learnt and taught over the years working with the youth I believe that if the energy of young people is channeled in the right direction then we will see young thought leaders who are purpose driven The Jesus Machine Dan Gilgoff,2024-08-06 The crucial Ohio get out the vote effort that lifted Bush over Kerry The Terri Schiavo controversy The push for a constitutional amendment to ban gay marriage Attacks on Roe v Wade Intelligent design in our science curriculum The evangelical right has pushed all of these initiatives led by the immense behind the scenes influence of Dr James Dobson the founder and chairman of Focus on the Family an organization that has grown from its roots as a local parenting advice center to a powerful ministry that broadcasts Dr Dobson each day on more than 3 000 radio and 80 television stations in the U S alone Dobson has supplanted Jerry Falwell Pat Robertson and Ralph Reed as the spokesman for tens of millions of American evangelical Christians even though Dobson is not a minister but a family therapist with a doctorate in child development Dobson maintains that the American political and social spectrums are firmly rooted in a centuries old Christian tradition one that has come under siege beginning in the 1960s spear headed by court rulings that have undermined the necessity of religion in public life With the support of evangelical followers Dobson has garnered more and support than many ever thought possible and has harnessed this power to wage a crusade in support of strengthening abortion restrictions and establishing anti gay rights litigation The Jesus Machine is the first book to examine Focus on the Family as the cutting edge of the larger evangelical movement backing what many view to be goals in common with the current political agenda of the Bush administration as it works to become the voice of mainstream America Through exhaustive research Dan Gilgoff a Senior Reporter for US News World Report exposes the intricacies of the Focus on the Family s rallying cry and the drastic implications they hold for the future of America s political system No Apologies Dona Elms,2015-09-18 As a young girl author Dona Elms hungered for a normal upbringing with her real family a void she was unable to fill Growing up without the emotional support that she needed she learned how to guard her heart Eventually she found someone who changed her life and thinking forever and gradually something inside her began to blossom In this collection of poetry Elms presents the thoughts and reflections that emerged from that period of personal growth and beyond Writing served as a form of therapy for her bringing relief and giving her strength and confidence to express her true self She managed to overcome her past and achieve the fullness of life through verse and she hopes to help others do the same Personal and honest these verses express one womans reflection on her past present and future Im not afraid anymore Im leaving all my baggage behind Im moving forward Im not going back but I will look back every so often because I will never forget from whence I came from Im Not

Afraid *Help! I'm a Sunday School Teacher!* Ray Johnston,1996-03 Whether you teach first graders or high schoolers this funny yet extremely practical resource will give new spark to your teaching help you be more effective and help you have more fun Along with empathy and understanding Johnson offers creative thoughts tips and ideas for improving your Sunday school style **"I Make No Apology"** Bob Mitchell,2015-10-19 Biography of David M Mitchell b 1922 d 2006 from formative years through service in World War II career with Bell Telephone Laboratories followed by first second marriages family anecdotes travel experience and retirement *The Family as a Focus of Correctional Intervention* Charles H. King,1967 Corrections must look to the family as a resource for making a substantial impact upon delinquency The family is the primary and most important source of socialization for children It must bring their behavior into line with the prevailing mode of living in order to keep them in society and protect society from antisocial behavior There is substantial evidence that many serious crimes are directly related to deficiencies in family structure and organization If corrections is given the charge of rehabilitation and prevention families can be involved and preventive inroads can be made in the problem of delinquency

My Truth, Your Truth, Whose Truth? Randy Petersen,2000 A partner to the video of the same title this book explores the topic of absolute truth Discussion takes place in a chat room where teens mostly non Christian discuss real life issues and situations morality relativity relationships religion and try to make sense of them In a persuasive tone the Christian worldview is interwoven into each chapter providing answers as appropriate **Family Matters** Hilde Løvdal Stephens,2019-10-15 The first full length study of a pivotal figure in American evangelical faith James Dobson child psychologist author radio personality and founder of the Christian conservative organization Focus on the Family published his first book Dare to Discipline in 1970 and quickly became the go to family expert for evangelical parents across the United States as American evangelicalism rose as a major political force The family expert became a leading voice in the Reagan Revolution and played a role in making American evangelicals even more firmly associated with the Republican Party Dobson s principle beliefs are that the family is the center of Christian America and that the traditional family must be defended from perceived threats such as gay rights feminism abortion and the secularization of public schools Dobson and Focus on the Family dominated Christian media through print radio and online venues and their message reached millions of American evangelical households shaping the cultural sensibilities and political attitudes of evangelical families throughout the culture wars from the 1980s into the 2000s Family Matters James Dobson and Focus on the Family s Crusade for the Christian Home by Hilde L vdal Stephens is an insightful history and analysis of James Dobson s rise to fame effect on American evangelical culture and subsequent descent from relevance Extensively researched L vdal Stephens scoured through Dobson s books articles and other materials published by Focus on the Family in order to explore how evangelicals defined and defended the traditional family as an ideal and as a symbol in an ever changing world By contextualizing the history of Dobson s reign L vdal Stephens s discerning analysis fills an important gap in our understandings of the politics and culture of late twentieth

century conservative Christianity in the United States She explores complex topics ranging from Dobson s celebration of what he believes are timeless biblical values such as maintaining strict and defined gender roles to the ways Dobson and Focus on the Family balanced their basic ideals with real everyday lives of average American evangelical families facing the realities of divorce working mothers and other perceived threats to the traditional family

No Apology Necessary Atheism Refuted Eternal Causal Intelligence Affirmed A Comprehensive Compendium of Intelligent Refutations to Atheism Gregory Lessing Garrett,2018-11-15 This book contains my writings other apologetics writers top scientists thinkers and scholars on the topics of Ontology Evolutionary Theory Theology Biogenesis Quantum Physics Philosophy Science Physics Scientism and Epistemology pertaining to the core topic of Refutations to Atheistic Materialism Crucial to consider is the idea that it is not any one refutation or data point of evidence pointing to the plausibility of there being an Eternal Causal Intelligence that creates a case for the strong possibility of such an Eternal Causal Intelligence a Creator Rather it is the summation of ALL such robust data points and proofs that culminates in an over arching and inescapable conclusion that such a Creator is not only highly plausible and therefore worthy of serious scientific philosophic and theological consideration but moreover to reject such a conclusion based upon the cumulative data is tantamount to an overt confession of scientific malpractice and a glaring Naturalism biases
