

RAYNA

The background image of the book cover features a person whose torso is the central focus. The skin on the torso is a metallic, golden-brown color with a cracked, stone-like texture. The person is wearing a black hooded sweatshirt that is pulled up to their shoulders, and blue denim jeans. The lighting is dramatic, highlighting the contours of the muscles and the texture of the skin.

Our American Sisters Jean E. Friedman, William G. Shade, 1982 *The Emma LaRocque Reader* Elaine

Coburn, 2025-07-15 Emma LaRocque was born in 1949 in Lac La Biche into a Cree speaking M tis family She grew up in a one room kerosene lit log cabin built by her father At the age of nine she fought her parents to attend school where she encountered English and the colonizer s harmful stereotypes of Indigenous peoples Confronting the contradictions of colonialism sparked her journey as a writer and scholar as she sought to understand the dissonance between her identity and the world around her The Emma LaRocque Reader is a comprehensive collection of her most significant writings poetry and prose offering an intimate window into the mind of one of Canada s foremost Indigenous scholars Through her work LaRocque provides profound insights into the intersections of colonialism sexism and racism in Canada while also critically celebrating the beauty of her community and culture In the afterword she reflects on fifty years of challenging the colonial enterprise A vital contribution to postcolonial literature The Emma LaRocque Reader intertwines the personal and the political to explore what it means to be human offering a powerful testament to Indigenous resistance resilience and vision

Avatar and Nature Spirituality Bron Taylor, 2013-09-30 Avatar and Nature Spirituality explores the cultural and religious significance of James Cameron s film Avatar 2010 one of the most commercially successful motion pictures of all time Its success was due in no small measure to the beauty of the Pandora landscape and the dramatic heart wrenching plight of its nature venerating inhabitants To some audience members the film was inspirational leading them to express affinity with the film s message of ecological interdependence and animistic spirituality Some were moved to support the efforts of indigenous peoples who were metaphorically and sympathetically depicted in the film to protect their cultures and environments To others the film was politically ethically or spiritually dangerous Indeed the global reception to the film was intense contested and often confusing To illuminate the film and its reception this book draws on an interdisciplinary team of scholars experts in indigenous traditions religious studies anthropology literature and film and post colonial studies Readers will learn about the cultural and religious trends that gave rise to the film and the reasons these trends are feared resisted and criticized enabling them to wrestle with their own views not only about the film but about the controversy surrounding it Like the film itself Avatar and Nature Spirituality provides an opportunity for considering afresh the ongoing struggle to determine how we should live on our home planet and what sorts of political economic and spiritual values and practices would best guide us

Sisters and Rebels Jacquelyn Dowd Hall, 2019-05-21 Winner of the 2020 PEN America Jacqueline Bograd Weld Award for Biography the 2020 Summersell Prize a 2020 PROSE Award and a Plutarch Award finalist The word befitting this work is masterpiece Paula J Giddings author of *Ida A Sword Among Lions* *Ida B Wells and the Campaign Against Lynching* Descendants of a prominent slaveholding family Elizabeth Grace and Katharine Lumpkin were raised in a culture of white supremacy While Elizabeth remained a lifelong believer her younger sisters sought their fortunes in the North

reinventing themselves as radical thinkers whose literary works and organizing efforts brought the nation's attention to issues of region, race and labor. National Humanities Award winning historian Jacquelyn Dowd Hall follows the divergent paths of the Lumpkin sisters tracing the wounds and unsung victories of the past. Hall revives a buried tradition of Southern expatriation and progressivism explores the lost revolutionary zeal of the early twentieth century and muses on the fraught ties of sisterhood. Grounded in decades of research, the family's private papers and interviews with Katharine and Grace Sisters and Rebels unfolds an epic narrative of American history through the lives of three Southern women.

Sovereign Erotics Qwo-Li Driskill, Daniel Heath Justice, Deborah Miranda, Lisa Tatonetti, 2021-03-02 Two Spirit people identified by many different tribally specific names and standings within their communities have been living, loving and creating art since time immemorial. It wasn't until the 1970s, however, that contemporary queer Native literature gained any public notice. Even now, only a handful of books address it specifically, most notably the 1988 collection *Living the Spirit: A Gay American Indian Anthology*. Since that book's publication twenty-three years ago, there has not been another collection published that focuses explicitly on the writing and art of Indigenous Two Spirit and Queer people. This landmark collection strives to reflect the complexity of identities within Native Gay, Lesbian, Bisexual, Transgender, Queer and Two Spirit GLBTQ2 communities. Gathering together the work of established writers and talented new voices, this anthology spans genres: fiction, nonfiction, poetry and essay, and themes: memory, history, sexuality, indigeneity, friendship, family, love and loss, and represents a watershed moment in Native American and Indigenous literatures. Queer studies and the intersections between the two. Collaboratively, the pieces in *Sovereign Erotics* demonstrate not only the radical diversity among the voices of today's Indigenous GLBTQ2 writers but also the beauty, strength and resilience of Indigenous GLBTQ2 people in the twenty-first century.

Strong Women Stories Kim Anderson, Bonita Lawrence, 2012-01-01 This collection of seventeen essays presents original and critical perspectives from writers, scholars and activists on issues that are pertinent to Aboriginal women and their communities in both rural and urban settings in Canada. Their contributions explore the critical issues facing Native women as they rebuild and revive their communities. Through topics such as the role of tradition, reclaiming identities and protecting Native children and the environment, they identify the restraints that shape their actions and the inspirations that feed their visions. The contributors address issues of youth, health and sexual identity, women's aging, sexuality and health, caring for

children and adults living with Fetal Alcohol Syndrome First Nations education and schooling community based activism on issues of prostitution and sex workers and reclaiming cultural identity through art and music Unmaking Race, Remaking Soul Christa Davis Acampora, Angela L. Cotten, 2008-06-05 Explores the theme of aesthetic agency and its potential for social and political progress *The Gender and Science Reader* Muriel Lederman, Ingrid Bartsch, 2001 The Gender and Science Reader brings together key articles in a comprehensive investigations of the nature and practice of science *The Queen of Technicolor* Tom Zimmerman, 2022-07-26 Best known for her appearances in the six Technicolor Neverland movies Maria Montez is a film icon Growing up as one of ten children in the Dominican Republic her rise as a film star in the United States seemed unlikely In 1939 Montez set off on her own to New York City to fulfill her aspirations of movie stardom Despite having no substantial acting experience Montez managed to sign with major agent Louis Schurr who helped her secure a contract with Universal Studios before she moved out to Hollywood Following her arrival in Los Angeles Montez began cultivating the larger than life persona for which she is known Her beauty personality and series of publicity antics including dramatic restaurant entrances endeared her to the press She even created her own fan club The Montez for Stardom Club Her ambitious self promotion bolstered the success she found with her first big lead in Arabian Nights released in 1943 From then on the studio referred to her as The Queen of Technicolor Author Tom Zimmerman puts Montez s life in historical context including her role as a cultural icon and a living representation of the United States Good Neighbor Policy with Latin American countries With her thick Dominican accent Montez struggled to make herself intelligible to an American audience However unlike some of her Latin contemporaries she did not present a caricature of her culture or use her accent for comedic purposes giving her credibility with a Latin American audience Zimmerman skillfully recounts the story of Montez s fiery ambition and her ascent to Hollywood fame giving her the opportunity to live on in public memory Black Orpheus Saadi A. Simawe, 2002-05-03 In twentieth century African American fiction music has been elevated to the level of religion primarily because of its power as a medium of freedom This collection explores literary invocations of music Theories of Race and Racism Les Back, John Solomos, 2000 20 Lola Young IMPERIAL CULTURE **Raising Henry** Rachel Adams, 2013-09-24 Rachel Adams s life had always gone according to plan She had an adoring husband a beautiful two year old son a sunny Manhattan apartment and a position as a tenured professor at Columbia University Everything changed with the birth of her second child Henry Just minutes after he was born doctors told her that Henry had Down syndrome and she knew that her life would never be the same In this honest self critical and surprisingly funny book Adams chronicles the first three years of Henry s life and her own transformative experience of unexpectedly becoming the mother of a disabled child A highly personal story of one family s encounter with disability Raising Henry is also an insightful exploration of today s knotty terrain of social prejudice disability policy genetics prenatal testing medical training and inclusive education Adams untangles the contradictions of living in a society that is more enlightened and supportive of people with disabilities than

ever before yet is racing to perfect prenatal tests to prevent children like Henry from being born Her book is gripping beautifully written and nearly impossible to put down Once read her family s story is impossible to forget *Queer Dickens* Holly Furneaux,2009-12-10 This book offers a radically new reading of Dickens and his major works It demonstrates that rather than representing a largely conventional conservative view of sexuality and gender he presents a distinctly queer corpus everywhere fascinated by the diversity of gender roles the expandability of notions of the family and the complex multiplicity of sexual desire The book examines the long overlooked figures of bachelor fathers maritally resistant men and male nurses It explores Dickens s attention to a longing not to reproduce but to nurture his interest in healing touch and his articulation over the course of his career of homoerotic desire Holly Furneaux places Dickens s writing in a broad literary and social context alongside authors including Bulwer Lytton Tennyson Braddon Collins and Whitman to make a case for Dickens s central position in queer literary history Examining novels poetry life writing journalism and legal and political debates *Queer Dickens* argues that this eminent Victorian can direct us to the ways in which his culture could and did comfortably accommodate homoeroticism and families of choice Further it contends that Dickens s portrayals of nurturing masculinity and his concern with touch and affect between men challenge what we have been used to thinking about Victorian ideals of maleness *Queer Dickens* intervenes in current debates about the Victorians neither so punitive nor so prudish as we once imagined and about the methodologies of the histories of the family and of sexuality It makes the case for a more optimistic nurturing and life affirming trajectory in queer theory
