Watching Grandma Circle the Drain Allen Smith, 2011-07-28 In his latest tour de force Allen Smith takes on the challenges of life from his own gritty perspective Everything from surviving on line dating to enduring his first sigmoidoscopy and advancing age Watching Grandma Circle the Drain is a collection of Smith's most entertaining work from his previously published columns In addition to his own experience with struggling to learn Spanish and annihilating the game of golf he gives the reader an inside look at some of the things they've never wondered about like managing persistent telemarketers what it's like to qualify as a sperm donor and some of the most unusual ways to make a living without a college degree In part two Smith takes aim at news stories by attacking issues like home schooling women competing in the Tour de France dozing air traffic controllers and the first person to marry and divorce himself Watching Grandma Circle the Drain is a bite sized entertaining look at the way we complicate our lives Once you read it you'll never look at life the same way again
