## Robert L Millet Books:

*Remember, Remember* Robert L. Millet, 2023-10-30      **Selected Writings of Robert L. Millet** Robert L. Millet, 2000

**Magnifying Priesthood Power** Robert L. Millet, 2008-06-15 New Cover This inspirational and motivational book about the priesthood is penetrating in its depth and research It is tremendous in its potential to shape lives for good Magnifying Priesthood Power explains the many aspects of priesthood power and authority then examines the ways in which Latter day Saints can utilize the full potential of the priesthood in their lives Carefully researched this book and brings together a wealth of information from the scriptures and from LDS Church history This must have guide considers the nature of earthly and heavenly powers many aspects of the oath and covenant of the priesthood the relationship of foreordination to mortal priesthood callings and the ways to magnify priesthood callings It also discusses how to receive the Lord s servants and how to grow in the principle of revelation Magnifying Priesthood Power is an essential resource for all priesthood holders

Bridging the Divide Dr. Robert L. Millet, Rev. Gregory C.V. Johnson, 2007-11-01 Meetings between Mormons and Evangelicals break new ground in interfaith dialogue      Mormonism: A Guide for the Perplexed Robert L. Millet, Shon D. Hopkin, 2015-11-19 Mormonism A Guide for the Perplexed explains central facets of the Mormon faith and way of life for those wishing to gain a clearer understanding of this rapidly growing world religion As The Church of Jesus Christ of Latter day Saints continues to grow in the United States and especially in other countries with a total membership of over 15 million more than 50% of which is outside the US and as theologians and church leaders wrestle with whether Mormonism is in fact a valid expression of modern Christianity this distinctive religious tradition has become increasingly an object of interest and inquiry This book is the ideal companion to the study of this perplexing and often misunderstood religion Covering historical aspects this guide takes a careful look at the whole of Mormonism its tenets and practices as well as providing an insight into a Mormon life      Jesus Christ Robert L. Millet, 1999 An amalgamation and revision of By grace we are saved and Life in Christ by Robert L Millet

Let Us Reason Together J. Spencer Fluhman, Brent L. Top, 2016-01-01      A Different Jesus? Robert L. Millet, 2005-04-14 Drawing on both Christian and Latter day Saint documents Robert Millet clearly explains the many beliefs that Mormons hold in common with traditional Christians and also highlights differences where they exist

**The Anatomy of Book of Mormon Theology, Volume One** Joseph M. Spencer, 2021-11-16 Few scholars of the Book of Mormon have read this volume of scripture as closely and rigorously as Joseph M Spencer And of those none have devoted as much time and effort as he to a theological reading of that sacred text that is as Spencer writes how it might shape responsible thinking about questions pertaining to the life of religious commitment p 1 173 The Anatomy of Book of Mormon Theology divides into two volumes exploring and thinking about these pertinent questions Each concerns a different part of the defense of the claim that theology is and ought to be particularly important for Book of Mormon studies In this first volume Spencer gathers early essays in which he gestures toward theological interpretation without knowing how to defend

it essays about why theology is important to Book of Mormon scholarship and how to ensure that it does not overstep its boundaries and essays that do theological work on the Book of Mormon in relatively obvious ways or with relatively traditional topics The last category of essays divides into two subcategories essays specifically on the central theological question of Jesus Christ's atonement as the Book of Mormon understands it and essays on a variety of traditional theological topics again as the Book of Mormon understands them

*Whole in Christ* Robert L. Millet, 2021-09-06

**Modern Mormonism** Robert L. Millet, 2010-10-21 What answer may a Latter day Saint make to accusations from those of other faiths that Mormons aren't Christians or You think God is a man and You worship a different Jesus Not only are these charges disconcerting but the hostility with which they are frequently hurled is equally likely to catch Latter day Saints off guard Now Robert L Millet veteran of hundreds of such verbal battles cogently helpfully and scripturally provides important clarifications for Latter day Saints about eleven of the most frequent myths used to discredit the Church Along the way he models how to conduct such a Bible based discussion respectfully weaving in enlightenment from LDS scriptures and quotations from religious figures in other faiths ranging from the early church fathers to the archbishop of Canterbury Millet enlivens this book with personal experiences as a boy growing up in an area where Mormons were a minuscule and not particularly welcome minority in one on one conversations with men of faith who believed differently and with his own BYU students who also had lessons to learn about interfaith dialogue He pleads for greater cooperation in dealing with the genuine moral and social evils afflicting the world and concludes with his own ardent and reverent testimony of the Savior

**Second Witness: Analytical and Contextual Commentary on the Book of Mormon** Brant A. Gardner, 2007-09-01 Stop looking for the Book of Mormon in Mesoamerica and start looking for Mesoamerica in the Book of Mormon Second Witness a new six volume series from Greg Kofford Books takes a detailed verse by verse look at the Book of Mormon It marshals the best of modern scholarship and new insights into a consistent picture of the Book of Mormon as a historical document Taking a faithful but scholarly approach to the text and reading it through the insights of linguistics anthropology and ethnohistory the commentary approaches the text from a variety of perspectives how it was created how it relates to history and culture and what religious insights it provides The commentary accepts the best modern scholarship which focuses on a particular region of Mesoamerica as the most plausible location for the Book of Mormon's setting For the first time that location its peoples cultures and historical trends are used as the backdrop for reading the text The historical background is not presented as proof but rather as an explanatory context The commentary does not forget Mormon's purpose in writing It discusses the doctrinal and theological aspects of the text and highlights the way in which Mormon created it to meet his goal of convincing the Jew and Gentile that Jesus is the Christ the Eternal God

Second-Class Saints Matthew L. Harris, 2024 On June 9 1978 Church of Jesus Christ of Latter day Saints LDS president Spencer W Kimball announced a revelation lifting the church's 126 year old ban barring Black people from the priesthood and Mormon temples

It was the most significant change in LDS doctrine since the end of polygamy almost 100 years earlier Drawing on never before seen private papers of LDS apostles and church presidents including Spencer W Kimball Matthew L Harris probes the plot twists and turns the near misses and paths not taken of this incredible story *The Anatomy of Book of Mormon Theology, Volume Two* Joseph M. Spencer, 2021-11-16 Few scholars of the Book of Mormon have read this volume of scripture as closely and rigorously as Joseph M Spencer And of those none have devoted as much time and effort as he to a theological reading of that sacred text that is as Spencer writes how it might shape responsible thinking about questions pertaining to the life of religious commitment p 1 173 The Anatomy of Book of Mormon Theology divides into two volumes exploring and thinking about these pertinent questions Whereas the first volume principally contains essays that deal with relatively traditional theological questions and concerns the essays in this volume ask about what new worlds might be discovered in doing theological work on the Book of Mormon focusing on what Spencer calls microscopic and macroscopic theological readings of the text Essays in the first set examine no more than a verse of the Book of Mormon more often just a single phrase or two to see what theological implications lie within the details of the text The second set of essays ask questions about the shape and intentions of the whole of the Book of Mormon as this can be discerned through the ways it deploys biblical texts and especially the writings of Isaiah A third set of essays follows the two on microscopic and macroscopic styles of theology and are invitations to blur the boundaries that separate different styles of Book of Mormon scholarship These final essays call on Book of Mormon scholars to move closer to theology and calls on theologians to move closer to the Book of Mormon Understanding Covenants and Communities Mark Diamond, Andrew Reed, 2020-08-01 A joint publication between CCAR Press and Brigham Young University Interfaith dialogues of understanding are valuable both for challenging individuals to articulate their beliefs and practices in a careful way and for deepening connections between people of different faiths The Jewish and Latter day Saint communities have at times been at odds yet they share a number of significant historical and communal bonds Understanding Covenants and Communities comes out of the Jewish Latter day Saint Academic Dialogue Project a groundbreaking interfaith encounter between these two religious communities The fruit of five conferences held semiannually since 2016 the volume addresses such themes as theological foundations sacred scriptures lived experience and worship and culture and politics Readers will emerge with a deeper understanding of the Jewish and Latter day Saint traditions and how the two faith communities can engage in a meaningful dialogue **The Prophet Joseph Smith** C. Paul Smith, 2019-04-10 Joseph Smith Prophet and the founder of The Church of Jesus Christ of Latter day Saints continues to be the subject of adulation by many but he is the object of derision by some Mormon critics C Paul Smith an experienced trial attorney and strong defender of Joseph Smith highlights six historical and doctrinal issues pertaining to the prophet that remain the subject of debate plural marriage the succession of leadership following his death the stories of three splinter churches that broke off from the church founded by Joseph Smith the Book of Abraham blacks

and the priesthood and six alleged false prophecies made by Joseph Smith The chapters on plural marriage give a concise history of key events of its introduction as a part of the restoration of the gospel of Jesus Christ The chapter on the Book of Abraham scrutinizes and exposes the fatal flaws in the arguments made by some Egyptologists that Joseph Smith's translation of the Book of Abraham is a fabrication The chapter on blacks and the priesthood analyzes race relations in the 20th century and it reviews some lesser known statements by Joseph Smith The chapter on three LDS splinter churches provides important historical insights about three organizations that broke away from the Church in 1844 1852 60 and 1863 With debate still swirling around Joseph Smith it is more important than ever to understand the truth about him in order to appreciate the quality of who he was and the great importance of his work Book of Mormon Study Guide, Pt. 1 Randal S. Chase, 2010-12-01 General use study guides for the current and future year course of study for members of the Church of Jesus Christ of Latter Day Saints as well as an important resource for anyone desiring to know more about the scriptures

**Interpreter: A Journal of Mormon Scripture, Volume 4 (2013)** The Interpreter Foundation, 2013-05-29 This is volume 4 2013 of Interpreter A Journal of Mormon Scripture by The Interpreter Foundation It contains articles on a variety of topics including affinities between ancient sources and modern revelations on Enoch a book review of Exploring the First Vision a book review of Against Calvinism questions we should consider about Mormon Studies some thoughts on faith and doubt the Sod of God and the LDS temple notes on Book of Mormon names and an introduction to the subject of Josiah's Reform and Margaret Barker's temple theology with perspectives by William J Hamblin and Kevin Christensen *Breaking the Mormon Code* Matthew A. Paulson, 2000-09 In Provo Utah there exists the Foundation for Ancient Research and Mormon Studies FARMS renowned as a Mormon think tank FARMS is owned and operated by Brigham Young University BYU and the Mormon Church Their mission seeks to repudiate the opposition applaud its supporters and justify many peculiar Mormon doctrines This book demonstrates that FARMS often twists the truths to justify Mormon doctrines To justify their position they often will utilize inane accusations misquotes and equivocation This collection of deceit from Mormon scholarship is what Matt Paulson has identified as the breaking of the Mormon Code **Understanding the Book of Mormon** Grant Hardy, 2010-04-07 This introduction adopting approaches from literature and religious studies for the first time makes the contents of the Book of Mormon accessible to outsiders in a comprehensive detailed manner By identifying the organizing principles of the text which include multiple levels of narration Hardy demonstrates that the book has more coherence and literary interest than is often assumed
