The New York Red Book ,1918 Walter Baade Donald E. Osterbrock,2021-01-12 Although less well known outside the field than Edwin Hubble Walter Baade was arguably the most influential observational astronomer of the twentieth century Written by a fellow astronomer deeply familiar with Baade and his work this is the first biography of this major figure in American astronomy In it Donald Osterbrock suggests that Baade s greatest contribution to astrophysics was not as is often contended his revision of Hubble s distance and age scales for the universe Rather it was his discovery of two distinct stellar populations old and young stars This discovery opened wide the previously marginal fields of stellar and galactic evolution research areas that would be among the most fertile and exciting in all of astrophysics for decades to come Baade was born educated and gained his early research experience in Germany He came to the United States in 1931 as a staff member of Mount Wilson Observatory which housed the world s largest telescope There he pioneered research on supernovae With the 100 inch telescope he studied globular clusters and the structure of the Milky Way every step leading him closer to the population concept he discovered during the wartime years when the skies of southern California were briefly darkened Most Mount Wilson astronomers were working on weapons development crash programs devoted to bringing Baade s native country to its knees while he formally an enemy alien in their midst was confined to Los Angeles County but had almost unlimited use of the most powerful telescope in the world After his great discovery Baade continued his research with the new 200 inch telescope at Palomar Always respected and well liked he became even more famous among astronomers as they shifted their research to the fields he had opened Publicity shy and seemingly unconcerned with publication however Baade s celebrity remained largely within the field This accomplished biography at last introduces Baade and his important work to a wider public including the newest generation of skywatchers **New York Red Book** ,1918 **YMCA Year Book and Official Rosters** National Council of the Young Men's Christian Associations of the United States of America,1898
